**Rulemaking | [PDC Meeting Video](#)**

PDC Staff presented for Commission reconsideration and possible adoption of permanent rule changes to [Chapter 390-20 WAC](#).

The December 5, 2019 regular meeting changes for consideration to Chapter 390-20 WAC included sections that were not proposed for amendment with the code reviser at least 20 days before the meeting and as a result were not published in state register.

The Commission will need to either provide an additional notice period before adopting or re-adopt the final version of chapter 20 without those identified sections to allow final publication.
