BEFORE THE PUBLIC DISCLOSURE COMMISSION
OF THE STATE OF WASHINGTON

In the Matter of Enforcement Action
Against

Robert Sheckler

Respondent.

PDC Case No. 1154

Notice of Administrative Charges
(Brief Enforcement Hearing)

I. Jurisdiction

1. The Public Disclosure Commission (PDC) has jurisdiction over this proceeding pursuant to RCW 42.17A, the campaign disclosure and contribution law; RCW 34.05, the Administrative Procedure Act; and WAC 390. These charges incorporate the Report of Investigation and all related exhibits by reference.

II. Allegations

2. PDC staff alleges that Robert Sheckler, a Des Moines City Council Member during 2013 and 2014, violated RCW 42.17A.710 by failing to timely disclose on his Personal Financial Affairs Statement (PDC Form F-1) and in Part C of the F-1 Supplement, for 2013 activity, travel costs totaling \$2,993 associated with a trip to Miami, Florida, that were paid for by a source other than the City of Des Moines, in this case, by Yareton Investments. The travel costs were reported 377 days late on April 27, 2013 on an amended F-1 and F-1 Supplement for 2013 activity.

III. Facts

3. In May 2013, Yareton Investments was pursuing development of a \$45 million hotel in the City of Des Moines, initially known as the Artemis Hotel, and then as a Four Points Sheraton. Yareton Investments was seeking approval of the project through a federal EB-

5 program, which involves receiving green cards in exchange for \$500,000 or more in capital investment.

4. Robert Sheckler served as a Des Moines City Council Member for 20 years from January 1, 1996 through December 31, 2015.
5. On May 10, 2013, Albert Sze, Project Manager for Yareton Investments, arranged a trip for Robert Sheckler and his spouse to travel to Miami, Florida on Friday, May 17, 2013 and return on Monday, May 20, 2013. The travel expenses for the trip totaled \$2,993.04 consisting of \$1,496.52 for Mr. Sheckler and \$1,496.52 for his spouse. The trip was paid for by Yareton Investments.
6. Mr. Sheckler timely filed his Personal Financial Affairs Statement (PDC form F-1) covering 2013 activity on March 9, 2014. However, he did not report the travel costs associated with the Florida trip, paid for by Yareton Investments, on his F-1 Report for 2013 activity. Mr. Sheckler stated he believed he had no obligation to report the travel costs.
7. Mr. Sheckler stated that he did not consider the travel costs paid for by Yareton Investments was reportable on his F-1 because he was providing tour guide services in exchange for the travel costs. Mr. Sheckler said he and his wife provided tour guide services for two full days for a party of 14 to 16 Chinese speaking individuals, in two different vehicles, with Mr. Sheckler guiding one van and his wife guiding the other van.
8. Mr. Sheckler said it was known by Yareton Investments that he had lived in Miami for a number of years and was qualified to escort their visitors. Mr. Sheckler said he had also worked for Sitmar Cruises (now part of Princess Cruises) part-time while in college, meeting and greeting passengers and making sure that they were comfortable in the cruise environment. Mr. Sheckler provided documents showing that he had lived in Miami for approximately 14 years.
9. Following receipt of the complaint and Mr. Sheckler's initial response, PDC staff explained to Mr. Sheckler that staff disagreed with his conclusion that the travel costs paid for by Yareton Investments were not reportable, and asked him to amend his 2013 F-1 and F-1 Supplement and report the travel costs.

10. On April 27, 2015, in response to staff's request, Mr. Sheckler filed an amended F-1 and F-1 Supplement for 2013, disclosing \$2,993 for expenses associated with his trip to Miami Florida in May 2013. The travel costs were required to be disclosed by April 15, 2014, and were filed 377 days late.
11. Although Mr. Sheckler amended his 2013 F-1 and F-1 Supplement to comply with staff's request, he continues to claim that the travel costs paid for by Yareton Investments was not reportable because he and his wife provided tour guide services in exchange for payment of the travel costs.
12. The Respondent has no prior violations, and his final term of office ended December 31, 2015.

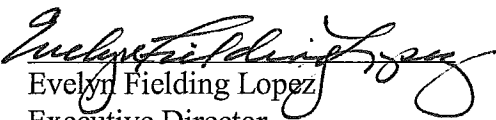

IV. Law

Respectfully submitted this 27th day of April, 2016.

OF THE STATE OF WASHINGTON

In RE COMPLIANCE WITH
RCW 42.17 and RCW 42.17A

Robert Sheckler

Respondent.

PDC Case 1154

Report of Investigation

I.

Background

- 1.1 In May 2013, Yareton Investments was pursuing development of a \$45 million hotel in the City of Des Moines, initially known as the Artemis Hotel, and then as a Four Points Sheraton. As described in a King 5 news article, Yareton Investments was seeking approval of the project through a federal EB-5 program, which involves receiving green cards in exchange for \$500,000 or more in capital investment. **(Exhibit 1)**
- 1.2 Robert Sheckler served as a Des Moines City Council Member for 20 years from January 1, 1996 through December 31, 2015, choosing not run for a sixth term. In May 2013, Mr. Sheckler took a trip to Florida with his spouse that was paid for by Yareton Investments. Mr. Sheckler did not report the value of the trip on his Personal Financial Affairs Statement (PDC Form F-1) believing he had no obligation to do so. Approximately two years after the Florida trip, Unite Here Local 8 filed a complaint alleging that Mr. Sheckler had failed to report the cost of the trip on his F-1 report.

II.

Allegations

- 2.1 On March 25, 2015, the Public Disclosure Commission (PDC) received a complaint from Abigail Lawlor of Unite Here Local 8, the Hospitality Union of the Northwest, alleging that Robert Sheckler may have violated RCW 42.17A.710 by failing to report the travel expenses associated with a trip he and his spouse took to Florida, on his annual F-1 report covering 2013 activities. **(Exhibit 2)**
- 2.2 The complaint alleged that Mr. Sheckler failed to disclose a May 2013 trip to a Miami Beach resort hotel on his Personal Financial Affairs Statement (F-1 Report) as required by RCW 42.17A.710. The complaint alleged that the trip was arranged for Mr. Sheckler and his wife by an employee of real estate developer Yareton Investment & Management, LLC (Yareton).

III.

Findings

- 3.1 The March 25, 2015 complaint stated that at the time of the trip, Mr. Sheckler was a proponent of Yareton's plan to construct a multi-million dollar hotel development in Des Moines. It stated that among other actions, Mr. Sheckler had advocated in favor of a petition that Yareton had filed with the federal government for approval under an immigrant visa program that would facilitate foreign financing of the development project. The complaint stated that between January and May 2013 efforts were made to secure approval of the petition, and that Mr. Sheckler was part of that effort. The complaint stated that on July 10, 2013, Yareton Investments received notification that its EB-5 application had been approved.
- 3.2 On May 10, 2013, Albert Sze, Project Manager for Yareton Investments, arranged a trip for Robert Sheckler and his spouse, Vicki Sheckler, to travel to Miami, Florida on Friday, May 17, 2013 and return on Monday, May 20, 2013. Mr. Sheckler and his spouse stayed at the Eden Roc Renaissance resort hotel in Miami Beach. The travel expenses for the trip totaled \$2,993.04 consisting of \$1,496.52 for Mr. Sheckler and \$1,496.52 for his spouse.
- 3.3 Mr. Sheckler timely filed his Personal Financial Affairs Statement (PDC form F-1) covering 2013 activity on March 9, 2014. It did not include the travel costs associated with the Florida trip, paid for by Yareton Investments. (**Exhibit 2, Pages 46-48**)

Robert Sheckler's April 8, 2015 Response to Complaint

- 3.4 On March 26, 2015, PDC staff provided a copy of the complaint to Mr. Sheckler, and asked for a written response by April 9, 2015. On April 8, 2015, Mr. Sheckler responded to the complaint, acknowledging that he had taken the trip described in the complaint, and that it had been paid for by Yareton Investments in exchange for tour guide services that he and his wife provided. He said the reason for the trip was to provide the tour guide services for 14 to 16 Chinese speaking individuals, in two different vehicles, with Mr. Sheckler guiding one van and his wife guiding the other van. He denied that the trip was associated with business of the City of Des Moines. (**Exhibit 3**)
- 3.5 Mr. Sheckler said the people he and his wife guided in two separate vans spoke no English, except for two, one in each vehicle, who acted as interpreters. He said he did not know the Chinese visitors. He said they were acquaintances or friends of Chun Yang, the CEO of the parent company of Yareton Investments and their spouses.
- 3.6 Mr. Sheckler said he did not consider the travel costs to be reportable because he and his spouse had provided tour guide services for two full days in exchange for the trip. Mr. Sheckler included a detailed itinerary and description of the tour guide services he and his wife provided for the four days involved in the trip. Following is Mr. Sheckler's description of the tour guide services he and his wife provided, in his own words:

Friday, May 17, 2013 - Travel to Miami from Seattle, departing Seattle at 5:47 a.m. and arriving at Miami at 4:17 p.m. After arriving we met briefly in the lobby with the visitors we would be guiding and went our separate ways. My wife and I had dinner on our own.

Saturday, May 18, 2013 – My wife took half of the visitors in one van and I took the other half in another. We escorted the visitors for a three-hour trip to Key West with stops along the way. After the three-hour trip back to Miami we took them to an out-of-the-way Chinese restaurant. We opted not to join them for this meal.

Sunday, May 19, 2013 – As above, taking 2 vans, my wife in one and I in the other, we escorted the visitors around downtown Miami, ventured to a large marina as they had interest in seeing luxury yachts, viewed luxury homes, visited Little Havana, and Vizcaya gardens, taking pictures for them as we went. My wife and I had meals at our expense.

Monday, May 20, 2013 – Everyone departed, going their separate ways. My wife and I took a cab (at our expense) to the airport, where our flight was delayed 18 hours due to inclement weather and airplane repairs. We spent the evening in the airport sleeping on the floor with no food or water as the airport closed down and all the local hotels were full.

Qualifications as a Tour Guide

- 3.7 Mr. Sheckler said it was known by Albert Sze, Project Manager for Yareton Investments, that he had lived in Miami for a number of years and was qualified to escort their visitors. Mr. Sheckler said he had also worked for Sitmar Cruises (now part of Princess Cruises) part-time while in college, meeting and greeting passengers and making sure that they were comfortable in the cruise environment. Mr. Sheckler provided documents showing that he had lived in Miami for approximately 14 years.
- 3.8 Mr. Sheckler stated that he did not feel the travel costs paid for by Yareton Investments were reportable since he was providing tour guide services in exchange for the travel costs.
- 3.9 Mr. Sheckler noted that Mr. Sze stated to King 5 News that his business and Unite Here Local 8 union have been at odds since the project began and speculated that may be the root cause of the union's complaint. Mr. Sheckler noted that he is proud of his 20 years of service to the City of Des Moines as an elected official.

PDC Staff Request for Amended 2013 F-1 Report

- 3.10 On April 21, 2015, PDC staff corresponded with Mr. Sheckler by email, thanking him for his April 8, 2015 response to the complaint, and informing him that staff disagreed with his conclusion that his travel costs were not reportable on his 2013 F-1 Report. Staff informed Mr. Sheckler that he should have answered "Yes" to the question in Part 5, E. 2), that said, "*Did any source other than your government agency provide or pay in whole or in part for you, your spouse, registered domestic partner and/or dependents to travel or to attend a seminar or other training?*" (Emphasis added) and that it was staff's position that he was required to disclose the travel costs paid by Yareton Investments on his 2013 F-1 report by completing the F-1 Supplement, Part C, as directed by the F-1 Form. See WAC 390-24-203.
- 3.11 Four days later on April 25, 2015, Mr. Sheckler responded, stating that per PDC's request, he had mailed an F-1 Supplement to be attached to his 2013 F-1 report. Staff asked Mr. Sheckler to also amend his F-1 report, which he did on April 27, 2015. The

The amended F-1 report showed \$2,993 for expenses associated with a travel occasion that occurred on May 17, 2013. The expenses were paid for by Yareton Investments of Tacoma, Washington. They included \$1,496.52 for Mr. Sheckler and \$1,496.52 for Mr. Sheckler's spouse. **(Exhibit 4)**

- 3.12 On June 11, 2015, Abigail Lawlor of Unite Here Local 8 submitted additional information in support of her complaint. The additional information indicated that the Florida trip was paid for by Yareton Investments. It also indicated that Mr. Sheckler may have played a role, along with other City of Des Moines officials, in approving tax abatement measures for the Yareton project. **(Exhibit 5)**
- 3.13 On October 27, 2015, staff informed Mr. Sheckler and Unite Here Local 8 that staff's preliminary review had become a formal investigation, and asked that further information and comments be submitted by November 10, 2015.

Robert Sheckler's November 8, 2015 Response to Complaint

- 3.14 On November 8, 2015, Mr. Sheckler provided a second response to the complaint. **(Exhibit 6)** He stated that the additional comments submitted with Ms. Lawlor's June 11, 2015 letter are irrelevant to her original complaint. He said her exhibits were taken out of context without regard to the history of the City of Des Moines' business and economic development recruitment policies. He said the joint efforts of the City Council and staff in creating a more business-friendly environment for new development has been successful, and has beneficial to several business ventures, including the Artemis Hotel (now Four Points by Sheraton).
- 3.15 Mr. Sheckler restated that he stands by his original claim made in his April 8, 2015 response to the PDC that he never considered the Miami, Florida trip to be reportable on his F-1 Supplement since he received the trip in exchange for the tour guide services he provided during the trip.

IV. **Scope**

Union alleges Des Moines politician broke ethics law

John Langelier, KING 5 News 5:49 p.m. PDT April 4, 2015

DES MOINES, Wash. -- Along Pacific Highway South in Des Moines, a large hotel is slowly taking shape. Formerly dubbed the Artemis Hotel, it will eventually become a Four Points Sheraton. It will feature 225 rooms, an award-winning restaurant and a large banquet hall.

The project is led by Yareton Investments, a subsidiary of a Shanghai-based real estate company.

The \$45 million project is funded largely through a federal EB-5 program, an effort to encourage foreign investment by offering green cards in exchange for \$500,000 or more in capital. As outlined by KING 5's media partner the Seattle Times, EB-5 projects have [become very popular recently](#).

They have also been the target of Unite Here Local 8. The union filed a complaint with Washington's Public Disclosure Commission last week over a trip to Miami paid for by Yareton's project manager just weeks before the EB-5 application was approved.

EB-5 applications are handled by U.S. Citizenship and Immigration Services and must meet a series of criteria in order to move forward.

Unite Here Local 8, which declined to be interviewed, said in a statement it is "engaged in efforts to increase accountability and enhance the economic impacts of hotel investments made through the EB-5 program."

Emails included in Local 8's complaint show Yareton project manager Albert Sze paid for the flight and hotel accommodations between May 17 and May 20, 2013.

Sheckler said the trip had nothing to do with the EB-5 process, even though Yareton paid for it. In a phone conversation, he said he had been "invited" to go on a trip with Yareton executives and more than a dozen other Chinese visitors because he used to live in Miami.

"This was not a gift," said Sheckler, "The trip occurred before the EB-5 was approved. It had nothing to do with EB-5."

Sze agreed and, in a phone conversation, said "the 20 people on the trip are all friends."

He then added his business and Unite Here Local 8 have been at odds since the project began and speculated that may be the root cause of the union's complaint.

Former Seattle and King County ethics board member, and current University of Washington professor Pat Dobel, believes Sheckler should have reported the trip to the state.

"He was involved in the lobbying effort on their behalf," Dobel said after reviewing the public complaint, "It's led by the business relationship and doesn't qualify as a friendship.

"Part of this is a perception issue," he continued. "After you've done all this work, then you get a reward."

Sheckler said the trip was far from a reward and hinted it was more trouble than it was worth. Nonetheless, he maintains he had no obligation to report the trip.

The Public Disclosure Commission is investigating. Sheckler is not running for re-election.

In re: Robert Sheckler

Complaint of Reporting Violations

[RCW 42.17A.700]

1. RESPONDENT:

Robert Sheckler, Des Moines City Council, Position 6

City of Des Moines

21630 11th Ave. S.

Des Moines, WA 98198

2. ALLEGED VIOLATIONS:

A. Summary of Alleged Reporting Violation.

This complaint presents the question whether Des Moines City Councilmember Robert Sheckler failed to disclose a May 2013 trip to a Miami Beach resort hotel on his statement of financial affairs required by RCW 42.17A.700. The trip was arranged for Councilmember Sheckler and his wife by an employee of real estate developer Yareton Investment & Management, LLC ("Yareton.") At the time, Sheckler was a proponent of Yareton's plan to construct a multi-million dollar hotel development in Des Moines. Among other actions, Sheckler advocated in favor of a petition that Yareton had filed with the federal government for approval under an immigrant visa program that would facilitate foreign financing of the

development project. That approval was eventually granted.

UNITE HERE Local 8 inquired with Councilmember Sheckler's office as to whether the Councilmember and his wife actually took the Miami Beach trip described in the evidence presented herein, and if so, for what purpose and at whose expense. Local 8 received no response to its inquiry. This complaint alleges that if Yareton paid for the trip that it arranged, Councilmember Sheckler should have reported financial details of it on his 2014 Form F-1. He did not.

B. Yareton's efforts to secure favorable immigration treatment for potential foreign investors in the Artemis Hotel project.

Yareton is a subsidiary of Mintong Real Estate Company from Shanghai China. Mintong's CEO is Chun Yang. According to press accounts, Councilmember Sheckler has had a relationship with Mr. Yang since 2009 when the two met during a trip the Councilmember (then the Mayor) took to China.¹ In 2011, Councilmember Sheckler, Mr. Yang and others met at a business dinner. (Exhibit A.)² Mr. Yang was Councilmember Sheckler's largest campaign donor in his reelection bid that year.³

In 2011, as part of its efforts to develop the \$45 million Artemis Hotel project (now known as the Four Points by Sheraton Airport South) in Des Moines, Yareton submitted an application to U.S. Customs and Immigration Services (USCIS) seeking what is referred to as

² The dinner for ten cost \$489.49. Councilmember Sheckler reimbursed the cost of his wife's dinner and part of his own in the amount of \$74.33. (See Exhibit A.)

³ 2011 Detailed Contribution Report for Councilmember Sheckler showing a \$800 donation from Yang on 8/30/2011 and a total of \$8,720.72 raised. The next largest contribution was \$500 from King Carpet Corporation. Obtained via PDC online database.

“regional center” designation for the project under the EB-5 Immigrant Investor Program. The EB-5 program allows foreign investors to obtain green cards for themselves and other members of their families by investing \$500,000 in a new or struggling U.S. business operation, provided the investment generates 10 full-time jobs and is made through a designated regional center.⁴ Although EB-5 investments do not need to be made through a regional center, doing so allows investors to contribute \$500,000 rather than \$1 million and to receive credit for indirect job creation.⁵ A regional center designation enables developers to raise capital more cheaply than they would be able to through more traditional financing mechanisms.

In January 2013, USCIS sent Yareton notice that the agency intended to deny Yareton’s EB-5 petition. (Exhibit B.) The USCIS notice gave Yareton until February 6, 2013 to submit further information in response to the notice of intent to deny. Yareton did so.

On March 20, 2013, Yareton’s project manager Albert Sze wrote Des Moines’ Economic Development Manager Marion Yoshino, with a copy to Councilmember Sheckler, seeking assistance in convincing Congressman Adam Smith to intervene on Yareton’s behalf in the still-pending USCIS application. (Exhibit C.) Mr. Sze wrote: “As you know, the construction fund is totally depending on EB-5 regional Center then Mr. Yang can raise the immigrant fund from Chinese investors (his office has lined up a few immigration agents ready to promote this project upon the USCIS approval). Or the construction cannot be fully started without this funding from Chinese investors.” (Exhibit C.)

On April 17, 2013, Ms. Yoshino wrote Congressman Smith’s staff to inquire about a

meeting between Congressman Smith and Councilmember Sheckler, noting that “[y]ou kindly checked for me a few weeks ago to see if Adam had any availability to meet with our Council Member Bob Sheckler regarding the Artemis Hotel project, here at the City of Des Moines.” (Exhibit D.) Ms. Yoshino continued to push for the proposed meeting in an ensuing email, and a meeting was scheduled between Congressman Smith and Councilmember Sheckler on May 2, 2013. (Exhibit E.) On May 13, 2013, Congressman Smith’s office wrote Ms. Yoshino to notify her:

[O]ur office in Washington DC is working hard to arrange for a phone conference between the USCIS Director and Congressman Smith regarding this case. Upon hearing any results of such conversation, I will share with you right away. Please help me extend this information with Councilmember Sheckler.

(Exhibit D.)

On July 10, 2013, Yareton received notification from USCIS that its EB-5 application had been approved. (Exhibit F.)

C. The Miami Beach Trip.

On May 10, 2013, a firm called AA Travel, 601 South King Street, Seattle, made two air ticket reservations for Robert F. Sheckler and Vicki C. Sheckler from Seattle to Miami, leaving Friday May 17, 2013 and returning Monday May 20, 2013. (Exhibit G.) A representative from AA Travel forwarded the reservations to Albert Sze with the message:

Hi Albert,

Here is the Air tickets information for Shecklers.

Thank you!

Wendy

On May 13, 2013, Mr. Sze sent an email to Sheckler regarding these arrangements. He wrote:

Mayor Bob⁶: The e-tickets are confirmed. The hotel reservations were made under Group name 'Albert Sze' at Eden Roc Renaissance begins 5/17 in 5/20 out. Let me know if you have any question.
Albert.

(Exhibit G.)

The Eden Roc Renaissance is a luxury beachfront resort hotel in Miami Beach. Additional details are available on the hotel's website: <http://www.edenrocmiami.com>.

On February 2, 2015, in an effort to confirm details about this trip, UNITE HERE Local 8 ("Local 8") sent an inquiry to Councilmember Sheckler's office identifying the Sze email, asking Councilmember Sheckler whether he had taken the Miami Beach trip, and if so, for what purpose and at whose expense. (Exhibit H.) Local 8 received no response to this inquiry.

Local 8 also obtained Councilmember Sheckler's transaction reports from the City of Des Moines for 2013, indicating travel and miscellaneous expenses for which Councilmember Sheckler sought official reimbursement. There is no record that Councilmember Sheckler sought reimbursement from the City of Des Moines for travel to or from Miami in 2013. (Exhibit I.)

D. Councilmember Sheckler did not report the trip on his 2014 F-1 form.

Local 8 obtained Councilmember Sheckler's 2014 F-1, which covers the year 2013. (Exhibit J.) In response to the question "Did any source other than your governmental agency provide or pay in whole or in part for you, your spouse, registered domestic partner and /or dependents to travel or to attend a seminar or other training?," Councilmember Sheckler did not respond.

PDC Public Records Officer Jon Ammons confirmed that Councilmember Sheckler did

not submit an F-1 Supplement covering the year 2013, as would be required given an affirmative response to the above question. (Exhibit K.)

E. Legal Basis for Complaint.

RCW 42.17A.700 requires elected officials to report a statement of financial affairs by April 15 of each year for the preceding calendar year. RCW 42.17A.700. The contents of the report are set forth in RCW 42.17A.710.

With respect to the reporting of travel expenses, RCW 42.17A.710 requires elected officials to report “[a] list of each occasion, specifying date, donor, and amount at, which items specified in RCW 42.52.010 (10)(d) and (f) were accepted.” RCW 42.17A.710 (1) (m).⁷

RCW 42.52.010(9)(d) refers to “payments by a governmental or non governmental entity of reasonable expenses incurred in connection with a speech, presentation, appearance, or trade mission made in an official capacity.” RCW 42.52.010 (9)(d). RCW 42.52.010(9)(f) refers to “payments of . . . reasonable travel expenses attributable to attending seminars and educational programs sponsored by a bona fide governmental or nonprofit professional, educational, trade, or charitable association or institution.” RCW 42.52.010(9)(f).

Even where travel expenses are not covered by either of the above provisions, they are reportable nonetheless. WAC 390-24-203 states:

All persons required to file pursuant to RCW 42.17A.710 who attend *a field trip or other excursion* paid for or provided by a lobbyist, lobbyist employer, or *other person* paying for or providing field trips or other excursions shall report the date, name of the person paying for or providing the field trip or excursion, pro rata cost attributable to the flier, applicable code value, and a brief description of the field trip or other excursion as part of the F-1 statement that covers the date of the field trip or other excursion.

⁷ RCW 42.52.010 subsections (10)(d) and (f) were changed to subsections 9(d) and (f) in 2011, and are referred to here by those numbers.

WAC 390-24-203 (emphasis added). The law's applicability to "other persons paying" and to "other excursions" makes clear that the reporting requirement applies to any trip paid for by a third party.

The F-1 form mandated by WAC 390-24-010 itself requires elected officials to report travel paid for by any non-governmental source. WAC 390-24-010; see Form F-1. It poses the question:

Regarding the receipt of items not provided or paid for by your government agency during the previous campaign year:. . . 2) Did any source other than your governmental agency provide or pay in whole or in part for you, your spouse, registered domestic partner and/or dependents *to travel* or to attend a seminar or other training?

(Form F-1, emphasis added).

F. Action Requested.

The evidence presented herein creates a serious question as to whether Councilmember Sheckler and his wife took the trip to Miami Beach that Mr. Sze arranged for him, and if they did, who paid for the travel and lodging. If Yareton paid for the trip, then Councilmember Sheckler required by law to report details on his 2014 F-1 form, and did not. Local 8 requests that the Commission investigate this question thoroughly, and to take appropriate action in response its findings.

The U.S. Citizenship and Immigration Service (USCIS) completed its review of your proposal to designate Yareton Investment Funds, LLC (YIF) as a regional center under the Immigrant Investor Pilot Program (Pilot Program). The Pilot Program was established under section 610 of the Departments of Commerce, Justice, and State, the Judiciary, and Related Agencies Appropriations Act of 1993 (Pub. L. 102-395, Oct. 6, 1992, 106 Stat. 1874). The purpose of this letter is to notify the Yareton Investment Funds Regional Center that USCIS intends to deny your proposal request. An explanation follows.

I. Regional Center

Section 610 of the Departments of Commerce, Justice and State, the Judiciary, and Related Agencies Appropriations Act of 1993, Pub. L. 102-395, (8 USC 1153 note), as amended by Section 402 of the Visa Waiver Permanent Program Act of 2000, Pub. L. 106-396, provides:

(a) Of the visas otherwise available under section 203(b)(5) of the Immigration and Nationality Act (8 U.S.C. 1153(b)(5)), the Secretary of State, together with the Attorney General, shall set aside visas for a pilot program to implement the provisions of such section. Such pilot program shall involve a regional center in the United States for the promotion of economic growth, including increased export sales, improved regional productivity, job creation, and increased domestic capital investment.

(b) For purposes of the pilot program established in subsection (a), beginning on October 1, 1992, but no later than October 1, 1993, the Secretary of State, together with the Attorney General, shall set aside 3,000 visas annually for five years to include such aliens as are eligible for admission under section 203(b)(5) of the Immigration and Nationality Act and this section, as well as spouses or children which are eligible, under the terms of the Immigration and Nationality Act, to accompany or follow to join such aliens.

(c) In determining compliance with section 203(b)(5)(A)(iii) of the Immigration and Nationality Act, and notwithstanding the requirements of 8 CFR 204.6, the Attorney General shall permit aliens admitted under the pilot program described in this section to establish reasonable methodologies for determining the number of jobs created by the pilot program, including such jobs which are estimated to have been created indirectly through revenues generated from increased exports, improved regional productivity, job creation, or increased domestic capital investment resulting from the pilot program.

The regulation at 8 CFR § 204.6(m) provides:

(3) Requirements for regional centers. Each regional center wishing to participate in the Immigrant Investor Pilot Program shall submit a proposal to the Assistant Commissioner for Adjudications, which:

(i) Clearly describes how the regional center focuses on a geographical region of the United States, and how it will promote economic growth through increased export sales, improved regional productivity, job creation, and increased domestic capital investment;

(ii) Provides in verifiable detail how jobs will be created indirectly through increased exports;

Attachment to ITD Coversheet

Yareton Investment Funds Regional Center / RCW1120950251/ ID1120950251

Page 3

(iii) Provides a detailed statement regarding the amount and source of capital which has been committed to the regional center, as well as a description of the promotional efforts taken and planned by the sponsors of the regional center;

(iv) Contains a detailed prediction regarding the manner in which the regional center will have a positive impact on the regional or national economy in general as reflected by such factors as increased household earnings, greater demand for business services, utilities, maintenance and repair, and construction both within and without the regional center; and

(v) Is supported by economically or statistically valid forecasting tools, including, but not limited to, feasibility studies, analyses of foreign and domestic markets for the goods or services to be exported, and/or multiplier tables.

(4) ***

(5) Decision to participate in the Immigrant Investor Pilot Program. The Assistant Commissioner for Adjudications shall notify the regional center of his or her decision on the request for approval to participate in the Immigrant Investor Pilot Program, and, if the petition is denied, of the reasons for the denial and of the regional center's right of appeal to the Associate Commissioner for Examinations. Notification of denial and appeal rights, and the procedure for appeal shall be the same as those contained in 8 CFR 103.3.

In reviewing this proposal, USCIS has to determine whether the proposal has met all of the regulatory criteria and thereby will maintain a regional center within which aliens seeking to obtain permanent resident status under section 203(b)(5) of the Act will be able to successfully establish a new commercial enterprise (as described in 8 CFR § 204.6(h)) with the qualifying investment that will benefit the United States economy and create 10 full-time jobs, including jobs indirectly created through the new commercial enterprise.

II. Background:

The proposed Regional Center entity, Yareton Investment, LLC, was established on June 26, 2011 in the state of Washington and is structured as a LLC. YIF is requesting jurisdiction over a geographic area to include:

State of Washington	Census Tract	City
	028902	Des Moines, WA
	029003	Des Moines, WA
	029004	Des Moines, WA

YIF plans to offer EB-5 capital investment opportunities in affiliated new commercial enterprises, organized as an LLC focusing on projects in the following industry categories:

Industry Category	NAICS
Hotel Construction	236220
Hotel Casino	721120
Full-Service Restaurants	722110

The capital investment projects will involve equity investments to job creating enterprises located within the proposed bounds of the Regional Center.

III. Issues:

A. Issue 1 – In response to the previous Request For Evidence, there are two items of concern regarding the updated job creation impacts:

1. Scope of the Region Widened

The first item to be discussed from the previous response concerns the applicant stating that the scope of the region is to be widened to include the entire State of Washington and the applicant's employment impact estimate include 51 jobs outside of the originally requested region within Kings County. The applicant did not provide any rationale for broadening the scope of the study to the entire State of Washington or explain how the job creation estimates were calculated.

In response to this first issue, the applicant indicates that it does not wish to expand the borders of the regional center beyond those originally requested. Furthermore, the applicant indicates that the 51 jobs outside the regional center represent the impact and job creation in the State of Washington. Since the requested geographic scope, however, again only encompasses King County, it is unacceptable methodology to include jobs that occur outside the regional center geographic scope.

- Please make the necessary adjustments to this methodological issue to include only jobs that occur within the designated geographic scope.

2. Job Creation Timeline

According to MCNW's timeline, the duration of the hard construction of the hotel is comparable to that of JTM Construction's timeline. Based on the evidence provided, the applicant has satisfied this timeline issue.

However, regarding the timing of operational jobs, the applicant indicates that certain operational jobs will be needed prior to the completion of the construction phase. The applicant provides a job creation timeline showing that construction is expected to last 26 months (from December 2012 to February 2015) and operational hiring is expected to start in January of 2015. The applicant cites Columbia Hospitality, a consulting firm specializing in the hospitality management industry, to show that operational hiring will not end until four months after the completion of construction (June 2015). The updated economic impact report, however, indicates that the methodology includes the first year of operational revenue and the increment in revenue in the second year. Since construction is expected to last 26 months, the applicant may not take credit for jobs created from the entire first year of operations and part of the second

Page 5

year of operations since this would fall out of the EB-5 job creation timeline of two years and six months of Form I-526 approval. Thus, the applicant has not resolved this issue.

- Please submit a detailed and itemized operational timeline showing all relevant phases of the construction effort.
- Since the applicant wants to claim jobs originating from the operations of the project, any job creation based on revenues should be pro-rated.

B. Issue 2 - USCIS requested that the applicant source and clearly explain all data and calculations used in the analysis. Also, the applicant must provide an operations timeline and hiring estimate.

Operations Timeline and Hiring Estimate

Regarding the job creation timeline, the applicant provides an additional timeline indicating that construction will last for 26 months with operational hiring set to commence one month before construction is scheduled to be complete. The timeline also presents how funds will be infused into each phase of the construction effort. In total, \$42.9 million will be used for construction expenditures and create 434 jobs. The applicant also indicates that 182 jobs will be created one month prior to the opening of the hotel. The Columbia Hospitality staffing report, however, indicates that the number of employees that will be hired is 139.

- Please clarify the exact number of jobs that will be created and resolve the discrepancy between the job creation timeline and the Columbia Hospitality staffing report.

C. Issue 3 - USCIS requested that the applicant provide a project timeline that details the anticipated sequence and quantity of EB-5 capital infusion into the project.

The applicant does not provide a satisfactory response to this issue. The applicant refers to Optimum Equilibrium Solutions' (OES) updated economic impact report addressing this specific issue. The report indicates the use of first-year revenue, and only the increment in revenue in the second year is used to calculate the final job count. The methodology performed by OES is reasonable. However, the total job creation will surpass the EB-5 job creation timeline of two years and six months. Again, since construction last for 26 months—according to the applicant—the applicant may not take credit for jobs created from the entire first year of operations and part of the second year of operations since this would fall out of the EB-5 job creation timeline of two years and six months. Thus, the applicant has not resolved this issue.

- Please provide a project timeline that details the anticipated sequence and quantity of EB-5 capital infusion into the project.
- Please source and clearly explain all data and calculations used in the analysis.

Attachment to ITD Coversheet

Yareton Investment Funds Regional Center / RCW1120950251/ ID1120950251
Page 6

D. Issue 4 – Visitor Spending.

Beginning on page 44 of the applicant's economic impact report (dated January 14, 2012), the applicant seeks to use expenditures made by the hotel guests (approximately \$13 million) as a final demand input into IMPLAN. The result is 166 new jobs created. It is normally not acceptable to accredit the jobs created from future expenditures of a guest of a hotel constructed using EB-5 capital for purposes of EB-5 job creation requirements because these expenditures are most often simply displaced from elsewhere. Thus, these impacts appear not to be new impacts created by EB-5 capital and/or have not been shown to constitute a source of new demand.

- Please provide reasonable estimates of how new visitor spending and tourism demand are driven by your specific project and show that this demand is new and not existing.
- Please source and clearly explain all data and calculations used in the analysis.

Or:

- Please make the necessary adjustments to this methodological issue to exclude jobs attributed to visitor spending.

IV. Decision

This notice shall serve as notification to YIF, LLC of USCIS' intention to deny the proposal request seeking the designation of YIF, LLC as a regional center, as the proposal does not appear to be compliant with EB-5 program requirements under 8 C.F.R. §204.6. You have 33 days from the date of this notice in which to offer evidence in opposition to the grounds for denial cited herein. Any response to this notice should include a detailed analysis that rebuts the grounds for denial raised above, corroborated by credible independent documentary evidence.

V. Review Board Option

Pursuant to 8 C.F.R. § 103.2(b)(9), USCIS has the authority to request the applicant's appearance for either an in-person interview at the California Service Center (CSC) or a telephonic interview. Should the petitioner prefer an in-person or telephonic interview, please indicate as such in response to this notice of intent to deny.

However, be advised that USCIS will need to review any additional information, evidence, or arguments YIF wishes to submit in support of the application before a review board may be scheduled. Upon review of the response, YIF will then be contacted via the USCIS Immigrant Investor Program mailbox at USCIS.ImmigrantInvestorProgram@uscis.dhs.gov for further instructions regarding the time and date of the interview.

The interview will last approximately 60 minutes. During this time, the applicant will be given the opportunity to present additional information regarding the pending case. The CSC will issue a written decision at a later date, after full consideration of the written record and statements made during the interview.

Failure to respond to this notice of intent to deny will result in the denial of the application based on the above stated reasons.

Marion,
Further to my conversation with you, I forward to you and Bob for this "Notice of Deny" from USCIS. Our lawyer has re-submitted a request of information to USCIS in 2/6/13 with explanation from lawyer's economist of methodology. But now, he said we can do nothing but to wait for response from USCIS to give us a tele-conference time and date. Can we get more assistant from Adam Smith office to help get the USCIS officer to review and response to our lawyer's submitted information on 2/6/13. The application of this EB_5 regional center has been 20 months without a clear indication if Yareton Investment Fund for Artemis Hotel can be a Regional Center that made Mr. Yang very nervous to move on even when construction permit is through by City of Des Moines in May. AS you know, the construction fund is totally depending on the approval of EB-5 regional Center then Mr. Yang can raise the immigration fund from Chinese investors (his office has lined up a few immigration agents ready to promote this project upon the USCIS approval). Or the construction cannot be fully started without this funding from Chinese investors.

Here was the e-mail I sent to our lawyer in 1/7/2013. He did some reaction and modification of IMPLAN with his economist after that, however, he told us that we can only wait and see, as he has no way to communication further with USCIS;

"The notice of Intent to Deny Yareton Investment Fund Regional Center alarmed a few more issues that needed to re-submit and to be passed by USCIS again. There are issues indicated the methodology of estimating "Regional center jobs impact will widen to King County and to the entire State of Washington". Do we need the help from House Representative office for agreeing on your job estimation as a supporting document to your methodology? If so, I have to set up a meeting with City of Des Moines and look for help. Anyway, a meeting with you and your economist who wrote the IMPLAN is needed."

How and what do you think the City can help on contacting the USCIS official?

Please let me know,

Thanks,

Dear Form I-924 applicant,

On 07/28/2011 you filed an "Application for Regional Center under the Immigrant Investor Pilot Program" (Form I-924). USCIS has issued a Notice of Intent to Deny (NOID) which raises issues relating to eligibility for this immigration benefit. In this e-mail, USCIS is providing an electronic courtesy copy of the NOID that was issued on 01/07/2013 and mailed to the address listed on your Form I-924. If applicable, a copy was also sent to the recognized attorney or accredited representative.

If upon review of the NOID, you desire clarification or have questions concerning the issues raised in the NOID or matters related to your pending Form I-924, you may use this e-mail box to correspond with USCIS.

At this time, you may not include attachments in correspondence through this e-mail box. Also, USCIS cannot accept your official NOID response via this e-mail box. Once you are ready to submit your formal response to the NOID, you should follow the instructions listed on the NOID on how to respond by mail. When you submit your formal written response to the NOID, please note that 8 C.F.R. § 103.2(b) (11) requires all requested materials to be submitted together at one time, along with a copy of the originating NOID.

NOTE: Responses for initial or amended I-924 applications are matched with the case file upon receipt of the response. USCIS strives to finalize EB-5 cases within 30 days after the responses to NOIDs are received.

SUBJECT LINE: Please ensure that the subject line in your e-mail correspondence contains the following information in this order: (1) Regional Center Unique Identifier; (2) Receipt Number; and (3) Regional Center name. Doing so will facilitate the accurate recognition of your e-mail correspondence and the ability of USCIS to respond to your e-mail.

REMINDER: This e-mail address is to be used solely for issues related to your pending Form I-924. The direct e-mail communication initiative is not a forum for general policy and legal questions about adjudicative procedures or decisions, or for questions relating to either "Immigrant Petition by Alien Entrepreneur" (Form I-526), "Petition by Entrepreneur to Remove Conditions" (Form I-829), or any "Appeal or Motion" (Form I-290B). USCIS will not respond to e-mails received concerning issues unrelated to the currently pending Form I-924. For more information about how to make other EB-5 inquiries, visit the [EB-5 Inquiries](#) page on the USCIS website (www.uscis.gov).

Hi Marion and Tony,

Just want to share a quick update, our office in Washington DC is working hard to arrange for a phone conference between the USCIS Director and Congressman Smith regarding this case. Upon hearing any results of such conversation, I will share with you right away. Please help me extend this information with Councilmember Sheckler.

Thanks Christine, can you see a time a little further down the road where Adam could schedule a meeting, in the coming months?
Establishing an EB-5 investment center will have a big economic impact on this entire area, as more projects can use the designation.
It seems that it would be useful for Adam to know the details on something that is of major importance to our Mayor & Council, as well as area stakeholders who have been watching the progress on this.

Hi Marion,

At this time, Congressman Smith's calendar is incredibly full. He is rarely in the district this month due to the Congressional voting schedule, so his time here is very limited. I will be sure to let you know if time opens up, but if you need further assistance with the foreign investor visa program application, please contact Ruth directly. I have cc'd her to this e-mail. Thank you, Marion. I will be in touch.

Hello Christine,

You kindly checked for me a few weeks ago to see if Adam had any availability to meet with our Council Member Bob Sheckler regarding the Artemis Hotel project, here at the City of Des Moines.

He is still very interested in meeting with the Congressman regarding this EB-5 foreign investor visa program application - as this is a 'flagship project' that is very important to the community.

Could you let me know if Adam would have any openings in the foreseeable future? Council Member Sheckler is retired so his schedule is fairly open, and he would be happy to come to Adam's Renton office or meet where convenient.

(I met Linh at an event today and he was nice enough to take some time and listen to our situation, it has been 21 months since the application was submitted! We greatly appreciate the assistance of your office.)

Thank you,

Shahzad and Marion,

Let's plan for a party 10 days from now when Shahzad returns from Pittsburgh. I'd like to invite all the people who gave us great helps and supports on this project. Marion, I know you are good at this kind of reception. I relied on you to send out the RSVP invitation, including invite the local press. Let's book a place that serves good food and drinks.

We shall meet at City Hall on Friday early afternoon to discuss a "to do list" for our next steps and beyond, getting prepare for promoting this hotel project to the overseas investors for Escrow account setting and follow by I-526 filings.
Let me know if it is work for everybody.

I rec'd it, thanks for all the hard work after 24 months. Still great news for us .However, we still need some revision later on for how to increase the immigration numbers to 60 in order to collect investors , \$30 million for the project to construct. USCIS approved 47 or \$23 Million. Funny is the operation for hotel was only accepted 23 jobs(mistake?) for a hotel with restaurant ??
What time next week we shall meet?

Hi Jon,

Thank you for your reply. I just want to clarify that Robert Sheckler did not submit an F-1 Supplement that covers 2013. Is that indeed the case?

Thanks again,

Re: PDC Complaint No. T15-108

Dear Mr. Stutzman:

This letter, with attached exhibits, is in response to your March 26, 2015 letter regarding a Notice of Complaint from Abigail Lawlor, PDC Complaint No. T15-108.

To begin with, let me respond to your three questions in your cover letter.

1. *Who funded the trip, and/or provided the travel to Miami Beach in 2013?* Technically, this would be Yareton Investments, in exchange for tour guide services that my wife and I provided.

2. *What was the reason for the trip?* To provide the above-mentioned tour guide services for 14-16 Chinese visitors ("hereinafter "visitors").

3. *Was the trip associated with public agency business?* Absolutely not. The people we were guiding through Miami and the Florida Keys in two separate vans spoke no English, except for two, one in each vehicle, who acted as interpreters. We did not know these 14-16 visitors. They were acquaintances or friends of Mr. Yang and their spouses. You will see further information about our services and my Miami background below.

Secondly, the February 2, 2015 email from Abigail Lawlor (page 2 of Ms. Lawlor's Complaint and her Exhibit H) was not deliberately ignored. We were in Maui from January 25, 2015 through February 6, 2015 (Exhibit A) and did not have a computer. Ms. Lawlor should have contacted the City Clerk with her follow-up questions and I would have been given the request for additional information upon my return. The City Clerk's email transmittal of Ms. Lawlor's public records specifically states that "If you have any questions, please let me know." (Exhibit B) The City of Des Moines Public Records Policy states on page 2 that "The City Clerk is the designated public records officer." (Exhibit C) Ms. Lawlor did not attempt to contact me by any other means. I do not have an office at City Hall and do not have staff assigned personally to me to respond to incoming emails or correspondence. I also do not open emails from addresses unknown to me because of the risk of computer viruses and/or computer hacking.

In response to 2A of Ms. Lawlor's Complaint, I did file an F1 for 2013. Since my wife and I were providing tour guide services for a party of 14 to 16 visitors, I did not consider this event to be reportable and felt that the F1-A did not apply. We provided tour guide services for two full days for the party of 14 to 16 Chinese speaking individuals (hereafter called "visitors"), in two different vehicles, with my wife guiding one van and I the other. Our itinerary was as follows:

Friday, May 17, 2013 Travel to Miami from Seattle, departing Seattle at 5:47 a.m. and arriving at Miami at 4:17 p.m. After arriving we met briefly in the lobby with the visitors we would be guiding and went our separate ways. My wife and I had dinner on our own (Exhibit D, \$101.60).

Saturday, May 18, 2013 My wife took half of the visitors in one van and I took the other half in another. We escorted the visitors for a three-hour trip to Key West with stops along the way. After the three-hour trip back to Miami we took them to an out-of-the-way Chinese restaurant. We opted not to join them for this meal.

Sunday, May 19, 2013 As above, taking 2 vans, my wife in one and I in the other, we escorted the visitors around downtown Miami, ventured to a large local marina as they had interest in seeing luxury yachts, viewed luxury homes, visited Little Havana, and Vizcaya gardens, taking pictures for them as we went. My wife and I had meals at our expense. (Exhibit D, \$48.15 and \$53.36)

Monday, May 20, 2013 Everyone departed, going their separate ways. My wife and I took a cab (at our expense) to the airport, where our flight was delayed 18 hours due to inclement weather and airplane repairs. We spent the evening in the airport sleeping on the floor with no food or water as the airport closed down and all the local hotels were full.

In response to 2B of Ms. Lawlor's Complaint, "In 2011 Councilmember Sheckler, Mr. Yang and others met at a business dinner", this was actually a social event (Exhibit E, page 1), not a business dinner as Ms. Lawlor assumes, as Mr. Yang was in town with his son. There was another councilmember and two other City employees in attendance. I reimbursed the City for my wife's dinner and the portion of mine that was in excess of what the City would pay. (Exhibit E, page 2). The check that is attached in Exhibit E (I have redacted my account number) confirms this, showing a history of my reimbursing when appropriate. This check, unfortunately, was negligently part of the King5 video without redaction of my account number, and has needlessly exposed me to ID theft and fraud. King5 has since taken this check off the video link, but it is most likely too late for fraud opportunists to take advantage of this King5's error since it was there for at least one full day.

Additional response to 2B of the Complaint. I did meet with Congressman Adam Smith, along with City Manager Tony Piasecki, to discuss the February 6, 2013 Notice of Action stating "Intent to Deny" the Yareton's EB-5 application. Congressman Smith indicated that he would look into the matter. News of the EB-5 approval came to me on July 11, 2013 through an email

from Albert Sze, long after the Miami trip. (Exhibit F) I did not have any other involvement other than an occasional conversation with Mr. Sze regarding the EB-5 status.

Qualification as Tour Guide: It was known by Mr. Sze that I lived in Miami for a number of years and he felt I was qualified to escort their visitors. I also had worked for Sitmar Cruises (now part of Princess) part-time while I was in college, meeting and greeting passengers and making sure that they were comfortable in the cruise environment. I have attached numerous documents that show my prior Miami residency ranging approximately 14 years, including my DD-214 from Homestead Air Force Base in Florida (where I was stationed for three years), college transcripts, other college (Miami-Dade Community College and Florida International University) documents, VA Card, and Deeds for a home owned in Miami from 1979 to 1982, most of which show a Miami residential addresses. (Exhibit G)

Conclusion. I did not feel that this travel was a gift, vacation, or reportable since I was providing tour guide services in exchange. Mr. Sze "agreed in a phone conversation" with King5 reporter, John Langelier, that this was not a gift and that "the 20 people on the trip were all friends" (see Exhibit E, King5 News article dated April 4, 2015) I did pay for my incidentals, including upgrades on airplane tickets, meals (see Exhibit D) and taxis. This was not a social event, business-related trip, or gift (remember that no one spoke English, including Mr. Yang, except for the two who interpreted for us). We were non-stop at the service of the visitors who had themselves decided on the places they wanted to visit while in Miami. My wife and I were in two separate vehicles so that each of the visitors would know what they were seeing. This service was provided to these visitors that had never before visited Miami. I had provided Mr. Sze with the names of hotels in the area that met their criteria (they wanted to be in Miami on the water). He picked the hotel and made the arrangements. There wasn't much to choose from because of the late date and the number of rooms needed.

Mr. Sze advised King5 that in the April 4, 2015 article that "his business and Unite Here Local 8 have been at odds since the project began and speculated that may be the root cause of the union's complaint." (Exhibit H, page 2) The EB-5 program and the lack of interest for the Hotel to unionize at this time may be considered threats to Unite Here! Local 8 and they may feel that the Hotel will be intimidated by the union's complaints (please see the "Do Not Patronize" list of hotels and restaurants on Local 8's website, www.unitehere8.org under the tab "Stay Union", which lists four hotels and restaurants in the Sea-Tac Airport area). The Artemis Hotel project has brought a \$45 million project to a blighted area of Des Moines on Pacific Highway South at a time when smaller cities are suffering financially. This project will be a definite boost to the City by providing jobs and income for the City's coffers. It will be a boost to our economy and hopefully other investments and construction will follow suit. I have worked very hard to make this project a reality for the benefit of the City of Des Moines, not for myself.

I predict that the Union's next attack will be on the City of Tacoma, where Yareton is in the process of submitting plans for a downtown convention center and hotel. This project is much

larger in scope than the one being constructed in Des Moines and is part of the EB-5 Program. Local 8 has a lot to lose if it cannot unionize the Artemis Hotel as the Tacoma project will no doubt follow Artemis's lead.

I am very proud of my 20 years of service to the City of Des Moines as an elected official. Everything I have done was for the betterment of this community, often at personal expense to me and my family. What I won't miss after retiring at the end of this term (December 2015) are the attacks against me from those with their own selfish agendas.

If you have any questions or need further information or documentation, please contact me at 206-824-2081. I would like to talk with you personally before a decision is made.

Thank you.

Shahzad and Marion,

Let's plan for a party 10 days from now when Shahzad returns from Pittsburgh. I'd like to invite all the people who gave us great helps and supports on this project. Marion, I know you are good at this kind of reception. I relied on you to send out the RSVP invitation, including invite the local press. Let's book a place that serves good food and drinks.

We shall meet at City Hall on Friday early afternoon to discuss a "to do list" for our next steps and beyond, getting prepare for promoting this hotel project to the overseas investors for Escrow account setting and follow by I-526 filings.

Let me know if it is work for everybody.

Thanks,
Albert Sze, member

I rec'd it, thanks for all the hard work after 24 months. Still great news for us .However, we still need some revision later on for how to increase the immigration numbers to 60 in order to collect investors , \$30 million for the project to construct. USCIS approved 47 or \$23 Million. Funny is the operation for hotel was only accepted 23 jobs(mistake?) for a hotel with restaurant ??
What time next week we shall meet?

DES MOINES, Wash. -- Along Pacific Highway South in Des Moines, a large hotel is slowly taking shape. Formerly dubbed the Artemis Hotel, it will eventually become a Four Points Sheraton. It will feature 225 rooms, an award-winning restaurant and a large banquet hall.

The project is led by Yareton Investments, a subsidiary of a Shanghai-based real estate company.

The \$45 million project is funded largely through a federal EB-5 program, an effort to encourage foreign investment by offering green cards in exchange for \$500,000 or more in capital. As outlined by KING 5's media partner the Seattle Times, EB-5 projects have [become very popular recently](#).

They have also been the target of Unite Here Local 8. The union filed a complaint with Washington's Public Disclosure Commission last week over a trip to Miami paid for by Yareton's project manager just weeks before the EB-5 application was approved.

EB-5 applications are handled by U.S. Citizenship and Immigration Services and must meet a series of criteria in order to move forward.

Unite Here Local 8, which declined to be interviewed, said in a statement it is "engaged in efforts to increase accountability and enhance the economic impacts of hotel investments made through the EB-5 program."

Emails included in Local 8's complaint show Yareton project manager Albert Sze paid for the flight and hotel accommodations between May 17 and May 20, 2013.

Sheckler said the trip had nothing to do with the EB-5 process, even though Yareton paid for it. In a phone conversation, he said he had been "invited" to go on a trip with Yareton executives and more than a dozen other Chinese visitors because he used to live in Miami.

"This was not a gift," said Sheckler, "The trip occurred before the EB-5 was approved. It had nothing to do with EB-5."

Sze agreed and, in a phone conversation, said "the 20 people on the trip are all friends."

He then added his business and Unite Here Local 8 have been at odds since the project began and speculated that may be the root cause of the union's complaint.

Former Seattle and King County ethics board member, and current University of Washington professor Pat Dobel, believes Sheckler should have reported the trip to the state.

"He was involved in the lobbying effort on their behalf," Dobel said after reviewing the public complaint, "It's led by the business relationship and doesn't qualify as a friendship."

"Part of this is a perception issue," he continued. "After you've done all this work, then you get a reward."

Sheckler said the trip was far from a reward and hinted it was more trouble than it was worth. Nonetheless, he maintains he had no obligation to report the trip.

The Public Disclosure Commission is investigating. Sheckler is not running for re-election.

In re: Complaint T15-108 submitted March 25, 2015.

Dear Commissioner Degginger,

I am writing to provide two additional points of evidence related to complaint T15-108, both of which became known to me only after its submittal.

1. Public statements by Councilmember Sheckler

First, following March 25, Councilmember Sheckler made statements to two separate media outlets indicating that Yareton Investment & Management paid for his 2013 trip to Miami Beach.

- An April 4, 2015 news report by King 5 featured statements from Councilmember Sheckler that Yareton Investment and Management paid for the Miami Beach trip.¹
- An April 24, 2015 blog post on the Waterland Blog featured statements from Councilmember Sheckler indicating that the trip was paid for by Yareton and that he did not feel that disclosure to the PDC was necessary.²

These statements dispel any previous question as to the possibility that Councilmember Sheckler paid his own way.

2. Additional public records indicating extent of Councilmember Sheckler's support of the Artemis Hotel

On April 1, 2015, following submittal of our complaint to the PDC and to the Des Moines City Manager, the City of Des Moines provided additional public records under a previously closed request dated October 14, 2014 [Exhibit A]. These records indicate that Councilmember Sheckler played a role in approving tax abatement measures for the Artemis Hotel. A letter dated August 22, 2012 from Councilmember Sheckler to Chun Yang provided by the City on April 1, 2015 announces the City's intent to pass a Business and Occupation tax waiver and a gambling tax reduction that would apply to the Yareton project [Exhibit B]. A September 5, 2013 letter from the City provided on April 1, 2015 restates a number of development incentives offered by the City of Des Moines for the project: "The City has been able to provide a previously completed SEPA analysis for the development site, a 20% reduction in permit and inspection fees, and has waived the Business and Occupation Tax for the first three years of operation" [Exhibit C].

Based on the additional information contained in these records, I was able to locate the following city ordinances passed with Councilmember Sheckler's support which directly benefited the Artemis Hotel Project in Des Moines:

- **Ordinance 1548** adopted August 30, 2012: "An ordinance of the City of Des Moines, Washington, relating to the City's Business and Occupation Tax and adding a new subsection to DMMC 3.84.100 establishing a tax exemption for new businesses as an incentive for a period of three (3) years or twelve (12) consecutive quarters for new businesses through December 31, 2015" [Exhibit D].
- **Ordinance 1549-A** adopted October 4, 2012: "An ordinance of the City of Des Moines, Washington, relating to the City's imposition of gambling taxes, and amending DMMC 5.40.010 and Ordinance No. 1549 to provide a graduated tax structure for public cardrooms as a commercial stimulant [Exhibit E].
- **Ordinance 1591** adopted January 30, 2014: "An ordinance of the City of Des Moines, Washington, relating to zoning; replacing Title 18 DMMC entitled "Zoning"; and repealing the previously codified provisions of Title 18 DMMC and underlying ordinances [Exhibit F].

Previously provided public records had indicated that the Artemis hotel project would be unable to include a cardroom because of a prohibition in the city's zoning ordinance [Exhibit G]. However, zoning changes instituted by Ordinance 1591 lifted this prohibition.

Meeting minutes from the January 30, 2014 Des Moines City Council meeting show that Councilmember Sheckler requested that the public hearing for the zoning change be heard out of order. Councilmember Sheckler then moved to suspend Rule 26(a) in order to enact the draft

ordinance on first reading. Councilmember Sheckler then moved to adopt the zoning change ordinance [Exhibit H].

This zoning change gave Yareton Investment and Management legal authorization to apply for a gaming license for the Artemis project and to take advantage of the previously adopted reduction in cardroom taxes.

Yareton Investment and Management is actively marketing the hotel as including a cardroom,³ but, according to the Washington State Gambling Commission, has yet to apply for a license [Exhibit I].

Request for Action

I request that this new evidence be included in your ongoing consideration of my complaint. Please update me as soon as possible as to the current status of your investigation.

Mr. Yang Chun

Medina, WA 98039

Dear Mr. Yang:

I hope this letter finds you and your family doing well. Mayor Kaplan, City Manager Piasecki and I enjoyed meeting with you, Albert, and your son last month when you were in the Seattle area. I trust you enjoyed your visit and found all your business ventures here to be going well.

During our meeting we discussed the status of your project and any other potential economic development incentives the City might be able to enact. We have spent a great deal of time over the last six weeks thinking about ways we can encourage new business to locate in our city. I am happy to inform you that the Des Moines City Council will consider two ordinances in the near future that will help new businesses in their first three years in Des Moines. The first ordinance concerns the Business and Occupancy (B&O) Tax that businesses pay on their gross revenues. Knowing that cash flow can be very tight in the first few years of any business' life, the ordinance will completely waive the B&O Tax for three years for all new businesses that locate in Des Moines and obtain a Des Moines business license prior to December 31, 2015. This ordinance is scheduled to be considered by the Des Moines City Council on August 30, 2012.

The second ordinance is in regard to the Gambling Tax assessed on card rooms. The current tax on gross receipts of card rooms in Des Moines is ten percent, starting the day they open their doors for business. Again, knowing that cash flow can be tight, the ordinance will phase in the ten percent tax as follows: in the first year of operation the tax will be one percent; in the second year the tax will be four percent; in the third year the tax will be seven percent; and finally, in the fourth year the tax will be the full ten percent. This is also for a business that obtains a Des Moines business license prior to December 31, 2015. This ordinance is scheduled to be considered by the Des Moines City Council on September 13, 2012. If passed, both of these ordinances will apply to the Artemis Hotel and the card room that you are planning to include in the project and should help make both successful in their first years of operation.

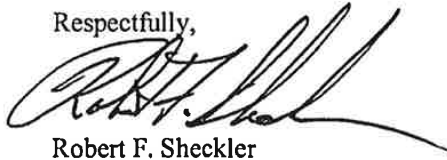

When we met last month, you indicated that you were targeting the first part of September to submit your land grading and building permit applications to the City, with a submission of the complete plans for review shortly after that.

I have been told that your consultants and staff here continue to work with City staff, and I hope your schedule for submittal of permit applications is still on track. As City Manager Piasecki said, staff is ready to process your applications as quickly as possible, particularly the grading permit, in order to allow you to start construction by the end of the year.

Please let me and our staff know if there is anything we can do to assist with the permitting. Thank you for choosing Des Moines for the location of this beautiful facility and thank you for the strong partnership we have established over these last two plus years.

Respectfully,

Artemis Hotel

22406 Pacific Highway South
Des Moines, WA 98032

Dear Sirs,

On behalf of the City of Des Moines, please accept our congratulations for being awarded an EB-5 Regional Center Designation by the United States Customs and Immigration Service. This is a tremendous accomplishment, and reflects the quality of a project that stood out from the many other applicants. The City is proud of the role that it was able to play in making this designation possible.

As a suburb of Seattle - located 20 miles south of the urban center - Des Moines is the perfect location for the new Artemis Hotel project. The hotel will have the wonderful views of the Puget Sound and mountains that are available from our coastal area. And Sea-Tac International Airport, one of the top 15 busiest airports in the United States, is ideally situated just to the north. Passenger traffic at the airport is projected to continue to grow rapidly, due to a booming trend in tourism from Asia and abroad. The Artemis Hotel will be the perfect complement to the infrastructure surrounding the airport, along with the planned card room casino and high-end restaurant, an amenity we believe is a great addition to enrich the entire Pacific Ridge business zone.

Because the project will be an enhancement to the City, Des Moines has been pleased to offer development incentives for the Artemis Hotel project. The City has been able to provide a previously completed SEPA analysis for the development site, a 20% reduction in permit and inspection fees, and has waived the Business and Occupation Tax for the first three years of operation.

The City of Des Moines welcomes the Artemis Hotel to our community, and looks forward to a strong future partnership with Yareton Investment Fund, through the construction of the Artemis Hotel project and beyond.

Marion brings up a good point. As I have now looked into this, I believe that we need to modify the code to get gambling as a permitted use. Right now casino, card rooms, gambling are all terms that we don't know if they are used interchangeable or mean different things under our code because they are not defined—not even in section 9.46.

Re: Case 1554
Previously T15-108

Dear Mr. Perkins, Mr. Stutzman and Members of the PDC Review Board:

This letter is in response to the PDC email dated October 27, 2015 regarding additional allegations made by Abby Lawlor of UNITE HERE! Local 8. You have my previous response that was received by PDC on April 8, 2015 and my Amended F1 that was received by PDC on March 21, 2015, both acknowledging that Yareton paid for the trip in lieu of tour guide services.

Ms. Lawlor's additional comments and exhibits are irrelevant to her original complaint as you will see from my responses below. Her exhibits have been taken out of context or without regard to the history of the City of Des Moines' business and economic development recruitment policies. Des Moines has been a "bedroom community" since its incorporation in 1959. Following the passage of I-695 and then the 2008 recession, it became apparent that Des Moines needed to actively pursue economic development by offering incentives to new developers in order to be more competitive with neighboring cities that were being successful in recruiting new commercial development. The joint efforts of the City Council and staff in creating a more business-friendly environment for new development has been successful; with new or proposed businesses currently in process, including the Des Moines Creek Business Park (with the FAA as a tenant), the Artemis Hotel (now Four Points by Sheraton), the Des Moines Theater (which has been vacant and in desperate need of repair or rebuild for as long as I can remember), apartment and condominium complexes, and more. Since the 2008 recession, many of the City's businesses have closed and their buildings have been left empty and in need of major repair, revitalization, or tear down. The City's recruitment efforts were desperately needed in order to bring income in for the failing City budget. The only other options would have been to drastically cut levels of service and staff (staff has already been cut, with additional proposed cuts for 2016) and raise taxes, along with disposing of the City's Parks, Recreation and Senior Services Department, all of which have been vehemently fought by local citizens.

Ms. Lawlor's original complaint was forwarded to the Washington State Patrol by Des Moines Chief of Police George Delgado for investigation. The WSP's investigation came back with "insufficient evidence" for any charges, after thorough review of documentation and interviews.

Their report was forwarded to the King County Prosecutor, who declined to file charges due to being "legally insufficient." (**Sheckler Exhibit 1**).

Ms. Lawlor's Comments:

1. Public statements by Councilmember Sheckler:

Both comments are moot as I submitted an Amended F1 on March 21, 2015 showing Yareton paid for the Miami trip in lieu of tour guide services. See PDC email dated March 21, 2015 (**Sheckler Exhibit 1**) and my previous response to T15-108 received by PDC on April 8, 2015, which you already have on file.

2. Additional public records indicating extent of Councilmember Sheckler's support of the Artemis Hotel:

August 22, 2012 letter to Mr. Yang. Any prudent Councilmember would encourage new development in a City that was hit hard by the recession and has suffered a great deal with the passage of I-695, by communicating with interested parties that the Council as a whole is encouraging economic development within the City. This letter was not written by me, but was written for my signature as I have been the liaison between Yareton group and the City since the beginning of this project.

September 5, 2013 letter from the City. This is a letter, not written by me, that was signed by the entire City Council in an effort to continue encouraging new development in Des Moines. The same would have been done, either in writing or verbally, for any new development project from a member of the City Council, the City Manager, or the Economic Development Manager to show the City's willingness to support and/or encourage new development. Please note that this letter appears to be a draft, is not on City letterhead, and does not contain any signatures.

The references to the "20% reduction in permit and inspections" in the September 5, 2013 letter (Lawlor Exhibit C) was done by City Manager's Executive Order Nos. 10-001 and 13-003 (**Sheckler Exhibit 2**). These Orders were written by the City Manager to establish a "*City Wide Incentive Program for all commercial and multifamily zoned areas in Des Moines and to further the goals and objectives established by the Pacific Ridge Neighborhood Improvement Plan, the Downtown Neighborhood and North Center Neighborhood elements of the Comprehensive Plan, the City Council's economic development goals and strategic objectives, and to provide additional incentives to encourage development throughout the City*". (City Manager's Executive Order 10-001. **Sheckler Exhibit 2**).

Ordinance 1548. This ordinance was proposed by Economic Development Manager Marion Yoshino, following review and input from the Council Economic Development Committee and staff from the Legal and Planning, Building and Public Works Departments, and submitted by Ms. Yoshino to the City Council for consideration as an "incentive to encourage new businesses to locate in commercial zones within the City of Des Moines." (**Sheckler Exhibit 3**). Ordinance

1548 was passed unanimously by the City Council by a vote of 6-0 (one Councilmember was absent). Councilmember Musser made the motion and it was seconded by Councilmember Burrage. The City Council's Finance and Economic Development Committee recommended that a Business and Occupation Tax exemption be established as an incentive for new businesses licensed before December 31, 2015 within the City of Des Moines (See Ms. Lawlor's Exhibit D; and Agenda Item submitted by Economic Development Manager Marion Yoshino, **Sheckler Exhibit 3**).

Ordinance 1549-A was a reconsideration of Ordinance 1549. Ms. Lawlor did not submit the original Ordinance 1549, or even reference it. Ordinance 1549 was proposed by Economic Development Manager Marion Yoshino as an economic development incentive for businesses in Des Moines that receive business licenses between the ordinance effective date and December 31, 2015. (**Sheckler Exhibit 4, page 1**). Ms. Yoshino also recommended that offering newly-established businesses incentives communicates that the City welcomes new ventures that produce jobs and improve the developed environment and property values for Des Moines residents. (**Sheckler Exhibit 4, page 3**). The original motion passed unanimously by the City Council with a 7-0 vote on September 13, 2012. The motion was made by Councilmember Musser.

Ordinance 1549-A was presented to the City Council by Economic Development Director Marion Yoshino to modify the phase-in period of the gambling card rooms provided in Ordinance 1549. I did make the original motion, which was amended by Councilmember Burrage and passed 5-1, with one Councilmember voting "no" and one Councilmember being absent. (**Sheckler Exhibit 5**)

Ordinance 1591 was presented to the City Council by the City Attorney. The purpose of this Ordinance was "housekeeping" in nature and the amendments were made to provide uniformity and consistency within the DMMC and not to make substantive policy changes. (Agenda Item, page 1, **Sheckler Exhibit 6**). This was a 9-month project of the Legal Department, the Planning, Building and Public Works Department, and Michael Connelly (a contracted attorney) (Agenda Item, page 2, **Exhibit 6**) to re-organize Title 18, along with Titles 12, 14, 16, and 17. The purpose was to bring uniformity to Title 18, to organize Title 18 in a manner that is easier to search, and to ensure compliance with current state law and case law. (Excerpt from October 4, 2012 City Council Minutes, **Sheckler Exhibit 6**). The three motions were passed unanimously, all with a vote of 7-0. The third motion was to correct language that was unintentionally omitted or mislabeled in a table.

Please note that these ordinances were all discussed in depth by the City Council Finance and Economic Committee and staff before being presented to the City Council. Ordinance Nos. 1548, 1549, and 1549-A were products of the Economic Development Manager and proposed by her to the Council for consideration in an effort to establish Des Moines as more development friendly and to improve the business environment. None of these referenced ordinances are

relative to Ms. Lawlor's original complaint. Also, an individual Councilmember cannot amend the City Code – it takes a unanimous vote of the City Council to enact or amend legislation.

Ms. Lawlor's Exhibit G contains emails between the Economic Development Manager and City staff members, not involving me, but they do add evidence of the City staff's involvement in the process of pursuing City-wide economic development in Commercial Zones. This exhibit is not related to Ms. Lawlor's original complaint.

Ms. Lawlor's Exhibit I. Her public records request to the State Gambling Commission is irrelevant. I do not know if the Artemis Hotel (now Four Points by Sheraton) has applied, or intends to apply or even pursue, a gambling permit at this time. This is their project, not mine. It does not appear that the hotel will be ready to open for business until early 2016.

My Additional Comments.

I would like to add as an additional Exhibit letters written by Mayor Kaplan on July 16, 2012 to Senators Karen Keiser and Tracey Eide, Representatives Dave Upthegrove, Mark Miloscia, Tina Orwall, and Katrina Asay, requesting their support for the Yareton application for a federal EB-5 designation, to show that Ms. Lawlor has targeted me by only providing documentation that she feels show me to be at fault for any actions of the City Council. (**Sheckler Exhibit 7**). Mayor Kaplan's letters requesting support were written prior to my August 22, 2015 courtesy letter to Mr. Yang Chun (referred to above and in Ms. Lawlor's Exhibit C) and were provided to her by the Des Moines City Clerk on April 1, 2015. These letters were obviously not of significance to Ms. Lawlor's continuing complaints about my efforts. Mayor Kaplan's letters are excellent examples on how the entire City Council is pursuing (and continues to pursue) a reputation of being "development-friendly" and supportive of new development.

Conclusion.

My only regret is that I referred to the general definition of "gift" as defined in the Webster's and Black's Law Dictionaries (**Sheckler Exhibit 8**). Their definitions provide "gift" as being "...something voluntarily transferred by one person to another without compensation..." And "The act of voluntarily transferring property to another without compensation..." I felt that providing tour guide services to the 14 people in attendance was my compensation (please see my earlier response in Case T15-108 for a description of the services provided and documentation of my Miami residency of 14 years).

In addition, I regret the confusion of this incident and the time and energy spent with investigations by the PDC, Washington State Patrol, King County Prosecutor, and the City of Des Moines. Anyone that was in Miami with the group would, without a doubt, understand and see that this was not a vacation for me.

Efforts to discredit me have been made to make it appear that I am an unethical politician. My reputation in the community, and as a member of the City Council for 20 continuous years, has

been exemplary. I have worked hard in the last 20 years with numerous development projects in the City, including the 89-acre Des Moines Creek Business Park which will house the regional FAA offices, and numerous other businesses. This project was 15 years in the making, in the effort of making Des Moines a better place, to bring a much-needed tax base to the City coffers, and to create additional jobs for the community. The work of the entire Des Moines City Council and staff in its efforts to make Des Moines a place where businesses want to locate has been commendable. All of the new development activity the City has seen lately, both in the planning and construction stages, is the result of amendments to the City's codes, policies, and fees city-wide to make the City more competitive with neighboring jurisdictions. These were necessary changes for all of the City Commercial Zones and are not site specific amendments.

My last exhibit, the City's "Vision, Mission & Business Plan" outlines the efforts the City has made, and continues to make, as a "coordinated team effort." (**Exhibit 9**). *Emphasis added.* The ordinances (except for Ordinance 1591, which was a reorganization of Title 18 DMMC), the reductions in permit fees and inspection fees, and letters mentioned above, and in Ms. Lawlor's additional allegations, have all been part of this "coordinated team effort."

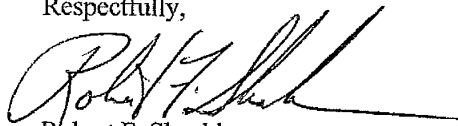

I add that I feel I have been singled out by Ms. Lawlor, a strategic researcher for UNITE HERE! Local 8, as a result of the Four Points by Sheraton's (originally Artemis Hotel project) refusal to unionize with UNITE HERE! Local 8. This complaint appears by those who know me and who are familiar with my background and professionalism, and by me, to be an act of retaliation or in some way to force this hotel to unionize.

I am proud of my 20 years of service to the City as an elected official. All my accomplishments have been for the betterment of the entire community, not for personal gain or influence. I will miss my involvement as a public servant when I retire from the City Council at the end of this year.

In conclusion, I stand by my original claim in my April 5, 2015 response that I never considered the Miami trip a gift, or reportable, since it was in lieu of tour guide services provided.

Please feel free to contact me if you need further information.

Respectfully,

Robert F. Sheckler

Investigative Report

FILE TITLE	DETECTIVE	CASE NUMBER
Des Moines PD Assist	R.A. Medeiros, #1056	15-007604

On April 9, 2015, I received an investigation from Lieutenant B. Lantz, #63, and Sergeant S. Moate, #151. The investigation was a request from the City of Des Moines Police Chief G. Delgado. Chief Delgado requested WSP to investigate allegations into both ethics and criminal violations by the City of Des Moines Councilman Robert Sheckler. The Des Moines City Manager received a letter dated March 25, 2015 by Ms. Abigail Lawlor a strategic researcher of Unite Here Local 8.

The letter dated March 25, 2015, indicated a possible violation of Chapter 2.44 of the Des Moines Municipal Code (DMMC). The allegation arises from travel taken by Councilman Robert Sheckler and his wife to a Miami Beach Resort in May 2013. The travel was arranged by Mr. Albert Sze, project manager for Yareton Investment and Management LLC. Yareton Investment and Management LLC are working with the City of Des Moines on the Artemis Hotel project (currently called the Four Points by Sheraton Airport South). On July 28, 2011, Yareton Investment and Management LLC had submitted an application to United States Customs and Immigration Services (USCIS) for EB-5 Regional Center under the Immigrant Investor Program. On January 7, 2013, USCIS sent an "Intent to Deny" notice stating they needed additional information. Yareton Investment and Management LLC attorney sent the additional information to USCIS on February 6, 2013. On March 20, 2013, Mr. Albert Sze sent an email request to Ms. Marion Yoshino and Councilman Sheckler asking if Congressman Adam Smith's office would be able to assist in contacting USCIS regarding the EB-5 application. Soon after this, Ms. Yoshino began contact with Congressman Smith's office to set up an appointment with Councilman Sheckler regarding the matter (these emails are included in the attached report). In July 2013 the EB-5 was approved. In a July 22, 2013, Business Examiner blog, Councilman Sheckler was reported saying "I would particularly like to thank Congressman Adam Smith, who worked to pull this application out of the federal agency backlog and get it approved."

Ms. Lawlor provided copies of an email indicating Mr. Sze arranged roundtrip airfare for Mr. Sheckler and his wife to Miami on May 17-20, 2013. Ms. Lawlor's letter asked the City of Des Moines to investigate this to determine if the Sheckler's had accepted the travel to Miami in 2013, and whether such travel constitutes a "gift" under the City of Des Moines Ethics Code, and then what the appropriate response should be.

On April 21, 2015, I contacted the City of Des Moines to request all emails pertaining to the travel and Artemis Hotel Project. These included emails between Councilman Robert Sheckler, Ms. Marion Yoshino, Mr. Albert Sze, Congressman Adam Smith's Office, and the City Manager Tony Piasecki. I also requested a copy of the City of Des Moines Code of Ethics for 2013.

Supervisor's Signature: George Moate #151 Date: 5-14-15

On April 30, 2015, Sergeant Moate and I contacted Mr. Albert Sze at Yareton Investment and Management LLC in Des Moines, Washington. Mr. Sze provided a recorded statement. I advised Mr. Sze why we were there and that Unite Here Local 8 had submitted a complaint to the City of Des Moines regarding Councilman Robert Sheckler. Mr. Sze advised us that Local 8 had contacted him about a year ago about all the hotels they are building but Yareton Investment and Management uses a lot of different unions so he couldn't just make an agreement with them right then before the hotel opened. I asked Mr. Sze what he and Councilman Sheckler's relationship was and he indicated it was a business relationship. They met in 2009 when Councilman Sheckler traveled to China (Sheckler was Mayor of Des Moines at this time). Councilman Sheckler met with Mr. Sze and Mr. Chun Yang, the CEO of Mintong Real Estate Co from Shanghai China. Yareton Investment and Management is a subsidiary of Mintong Real Estate Company. While in China they discussed purchasing property for a hotel in Des Moines. Mr. Sze went on to say he dealt with a number of City employees, mostly Marion Yoshino and the City Manager Tony Piasecki. Mr. Sze described the long process of obtaining permits for the project and for obtaining the EB-5 Regional Center under the Immigrant Investor Program. Mr. Sze indicated he knew Councilman Sheckler (or the city for that matter) could not do anything directly with the USCIS to get the EB-5 approved. When I asked him about the email he sent requesting help from Congressman Adam Smith he said he very well could have asked that. When asked about the Miami trip, Mr. Sze indicated Yareton Investments and Management LLC were planning a trip for Mr. Chun Yang and other family members and investors, the exact dates and location were still being discussed. Mr. Sze thought it was around March or April that they were discussing a sightseeing vacation for a group of about 16 people. Mr. Sze had told Councilman Sheckler about the vacation and mentioned Miami was one of the possible places they were looking at going. Councilman Sheckler indicated he was from Miami and could be their "tour guide" if they wanted. Mr. Sze stated it was decided to travel to Miami so they invited Councilman Sheckler to accompany them as their "tour guide". They never expected Councilman Sheckler to pay them back for the trip. Mr. Sze said he didn't know what the policy was on whether Councilman Sheckler had to report the trip but he was sure Councilman Sheckler would know.

On May 6, 2015, Sergeant Moate and I interviewed Councilman Sheckler at his residence in Des Moines, Washington. I explained to Councilman Sheckler we were there regarding an investigation where the Unite Here Local 8 had sent a letter to the City of Des Moines with questions about his travel to Miami. Councilman Sheckler said he has been on the city council for 20 years. He was elected in 1996; 2002-2003 he was pro-tem mayor; 2004-2011 he was the Mayor of Des Moines and then returned to his current position. I asked Councilman Sheckler to give us a background on his relationship with Yareton Investment and Management LLC. Councilman Sheckler said it all started in 2008 when he was on a trip to China as the Mayor of Des Moines. During this time he thought he would try to establish a relationship with them as a "sister city" and then also discussed an exchange program between China and Highline College in Des Moines. While staying at the hotel in China Mr. Chun Yang contacted him because he wanted to meet with the Mayor. Mr. Yang was discussing his interest of building a hotel in Tacoma Washington. Councilman Sheckler knew Des Moines had property for sale so discussed these options with Mr. Yang and showed him pictures of the view of the sound. Mr. Yang appeared very interested and then began discussing the EB-5 program with him. Once Councilman Sheckler returned to Des Moines he started looking into the EB-5 process to see if that could be done in Des Moines, which he found out it could be. Councilman Sheckler said he had a business relationship with Albert Sze, who is the project manager for the hotel. Councilman Sheckler said when Mr. Sze received the notice of "Intent to Deny" from the USCIS he contacted Councilman Sheckler to see if there was anything the city or Congressman Adam Smith could do to

help. Councilman Sheckler said there wasn't anything he could do but he would set up a meeting with Congressman Smith and discuss the issue. I asked if he's ever contacted the Congressman and Senators regarding other city business and he said he has on occasion. Councilman Sheckler was asked if he would be able to approve anything with regards to the hotel himself and he said no, he didn't have that kind of power within the city. The City Manager, Tony Piasecki, and others make those decisions. When asked about his trip to Miami, he said it was as a "tour guide" for Mr. Yang and Mr. Sze. There was a large group of people going to Miami and since Councilman Sheckler had lived there for 14 years he went as their "tour guide." The Public Disclosure Commission (PDC) guideline for filing the F-1 clearly indicates if you answer "Yes" to one of the questions in Part 5 of the F-1 then you need to fill out the F-1 Supplement form. "The Supplement discloses your or a family member's relationships with businesses, unions, associations and the like if you or they were an owner, partner or officer of the entity. The Supplements also shows if you or your family members lobbied at the state level. Officials filing an annual report must also file the Supplement if they or an immediate family member received food and beverages costing over \$50 per occasion, travel expenses or educational benefits from some person or entity other than the official's agency." Councilman Sheckler said he did not think he had to report this trip on his F-1 to the PDC because it was not for city business; therefore he did not fill out the F-1 Supplemental. Councilman Sheckler said the PDC contacted him regarding the Miami trip so he filed an amendment on April 25, 2015 documenting the trip from May 2013. Councilman Sheckler was adamant the trip had nothing to do with the EB-5 or the building of the hotel.

On May 7, 2015, I picked up a CD from Des Moines Police Chief with the documents Abigail Lawlor received from her public disclosure request. Amongst these items were letters authored by Mayor Dave Kaplan dated July 16, 2012 to Representatives Katrina Asay, Mark Miloscia, Tina Orwall, Dave Upthegrove, Senators Tracey Eide and Karen Keiser. It was a letter outlining the delay in the application for the EB-5 program and the request for assistance in contacting the USCIS to help expedite the approval. There is also a letter authored by Councilman Sheckler dated May 7, 2013, to Congressman Smith. The letter is thanking the Congressman for his time in meeting with Councilman Sheckler, City Manager Tony Piasecki and Marion Yoshino regarding the delay in the EB-5 application.

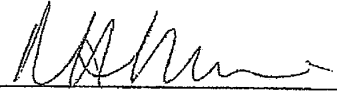

On May 11, 2015, I called and left a voicemail for City Manager Tony Piasecki and on May 12, 2015 he returned my call. He said the only person in the city that can approve permit applications. The councilmembers can call and see why a permit is not being approved and what needs to be done to get it approved but that's all. Mr. Piasecki said Councilman Sheckler had been working on the hotel project since the beginning so he does get phone calls from him but it's always to see what is missing or needs to be done. Councilman Sheckler has never asked for something to be overlooked to get a permit application approved. He also indicated that Albert Sze has also called with the same type of questions regarding the permits. As for the EB-5 program, he said Councilman Sheckler has a more personal contact with Congressman Adam Smith so if Councilman Sheckler was to call to set up a meeting then he would have better luck than Mr. Piasecki would. Mr. Piasecki also indicated that all the councilmembers will use their powers of persuasion to help out the city with things to include getting votes passed. They others will also call to see why various permits are not going through and what can be done to get them approved.

Since the hotel project has been going on they have made two to three changes in the city code so the hotel could be passed but these were all passed, he thought, unanimously through a council meeting.

The Sheckler's had in fact accepted travel and lodging to Miami Beach in May 2013 from Mr. Sze and Yareton Investment and Management for the sole purpose to act as a "tour guide" for Mr. Chun Yang, his family, and other business partners. Councilman Sheckler failed to report the trip to the PDC but he has since remedied that by filing an amendment that included the F-1 Supplemental.

			Mr. Piasecki asked if I would be contacting other councilmembers and I said no, that I was only addressing the initial complaint that had to do with the Miami trip from Local Union 8, unless he thought I should be talking with others about something else. I explained to him that Councilman Sheckler had not reported the trip to the PDC but he has since amended his F-1 filing to report it. Mr. Piasecki said he would let them know we wouldn't be interviewing them.

Facts:

Robert Sheckler has been either a councilmember or mayor of Des Moines from 1996 to the present. In 2009 while mayor he took a trip to China and met Chun Yang and Albert Sze of Yareton Investment and Management LLC. Mr. Yang was interested in building a hotel in Tacoma. Sheckler showed Yang photographs of vacant land for sale in Des Moines with views of the mountains and water. Yang began discussing the EB-5 visa program with Sheckler. The EB-5 visa program provides a method of obtaining a green card for foreign nationals who invest either \$1,000,000 or at least \$500,000 in a "Targeted Employment Area" in the U.S. After Sheckler returned from his trip he did some research and determined that an EB-5 project could be done in Des Moines. Sheckler reported this to Sze who had an office in Des Moines. On July 28, 2011, Yareton submitted an EB-5 application to the United States Customs and Immigration Service (USCIS). Yang was Sheckler's biggest campaign donor in 2011.

In January of 2013 Sze received a "Notice of Intent to Deny" letter from USCIS in response to his EB-5 application. On March 20, 2013, Sze wrote Sheckler asking him if there was anything he or Congressman Adam Smith could do about it. Sheckler told Sze he couldn't do anything but offered to contact Smith. Sheckler met with Smith on May 2, 2013. Smith wrote Sheckler a letter on May 13, 2013, telling Sheckler his office was working on it. Yareton's EB-5 application was approved on July 10, 2013.

On May 10, 2013, after Sheckler met with Smith but before Yareton's EB-5 application was approved, Sze bought two round-trip airline tickets and made hotel reservations for a trip to Miami for Sheckler and his wife leaving Seattle on May 17, 2013 and returning May 20, 2013. Sheckler failed to report the tickets and hotel reservations to the Washington Public Disclosure Commission on his F-1 Personal

Financial Affairs Statement for 2013. The form asked "Did any source other than your governmental agency provide or pay in whole or in part for you, your spouse, registered domestic partner, and/or dependents to travel or to attend a seminar or other training?" The place on the form to answer this question either "yes" or "no" was left blank. The form directed Sheckler to complete Part C of the form if the answer to this question was yes. Sheckler did not complete Part C. Sheckler's typewritten name appears on the form under the words "I certify under penalty of perjury that the information contained in this report is true and correct to the best of my knowledge." The form was dated March 9, 2014.

Stacy Moate of WSP interviewed Sze. Sze admitted that he contacted Sheckler's office for help with his EB-5 application and sent Sheckler an email asking Sheckler to contact Adam Smith. Sze said that Yareton was planning a sightseeing vacation in the U.S. for Mr. Yang, his family members, and investors and told Sheckler they were considering visiting Miami as part of the trip. Sze said Sheckler told them he was from Miami and could act as their tour guide. Sze said they decided to go to Miami and invited Sheckler to come on the trip as their tour guide. Sze said they never expected Sheckler to pay them for the trip.

Moate also interviewed Sheckler. Sheckler admitted that he met with Smith at Sze's request to discuss Yareton's EB-5 application. He also admitted that he accepted travel and lodging for the Miami trip from Sze and Yareton but claimed he did so as their tour guide because he had lived in Miami for 14 years. He told Moate that he, his wife, Yang, Sze, and others stayed at a hotel in Miami Beach and visited Key West. He told Moate that he didn't report the trip on his F-1 report because no city business was involved so he didn't think he had to report it.

In 2015 at the PDC's request Sheckler filed an amended report for 2013 claiming \$2,993.04 in travel paid for by Yareton. This incident was reported in Des Moines local media. Sheckler has decided not to run for office again.

Discussion:

There are two statutes that could apply: RCW 9A.68.010, Bribery, a class C felony, and 9A.72.040, False Swearing, a gross misdemeanor.

(1) A person is guilty of bribery if:

* * *

(b) Being a public servant, he requests, accepts, or agrees to accept any pecuniary benefit pursuant to an agreement or understanding that his vote, opinion, judgment, exercise of discretion, or other action as a public servant will be used to secure or attempt to secure a particular result in a particular matter.

* * *

(1) A person is guilty of false swearing if he or she makes a false statement, which he or she knows to be false, under an oath required or authorized by law.

The evidence is insufficient for the bribery charge because there is no evidence that Sheckler had an agreement or understanding with Sze or Yang that he would receive a paid trip to Miami at the time that he met with Smith. False swearing is also problematic. The plain language in the F-1 form requiring Sheckler to disclose the trip and his failure to do so are the only evidence that he made a false statement on the form. His most likely defense is that because he didn't answer either "yes" or "no" in the box on the form the evidence does not show he made an affirmative false statement. He could also claim that he accidentally overlooked the box on the form or failed to recall the trip when he completed the form, negating the element of knowledge. As a result I believe the evidence is also insufficient to support a charge of false swearing.

Purpose and Recommendation

The proposed ordinance establishes an exemption to the B&O tax for new businesses that physically locate in the City of Des Moines before December 31, 2015.

Suggested Motion

First Motion: I move to Rule 26(a) to pass Draft Ordinance No 12-063 on the first reading.

Second Motion: I move to enact Draft Ordinance No 12-063 amending DMMC 3.84.100 establishing an exemption to the B&O tax of three years for new businesses that physically locate in the City Des Moines before December 31, 2015.

Background

The B&O tax exemption is an incentive to encourage new businesses to locate in the City of Des Moines. Des Moines currently charges the maximum B&O tax allowed by State statute of .2% (\$2 for every thousand dollars of revenue) on the gross revenues of companies with business activity in the City (even if they are not physically located within the City). The tax is applied to businesses with gross revenues over \$50,000.

Currently most cities in southwest King county are not charging a B&O tax. Of the cities surrounding Des Moines, the cities of Kent, SeaTac, Federal Way, Tukwila, and Normandy Park do not charge a B&O tax. Burien charges .05% tax on businesses with gross revenues over \$100,000 (\$.50 for every thousand dollars of gross revenue). Seattle charges a .215% B&O tax (.415% for services), which is voter-approved above the statutory limit.

Discussion

Most businesses located in Des Moines are smaller establishments that are paying minimal or no B&O tax. The main sources of B&O tax revenue for the City are the large restaurants, grocery stores, nursery, and (the largest source of all) contractors. Even when a contractor's offices are not located in Des Moines, they pay B&O tax on construction and renovation projects that are done within the City.

Alternatives

Alternatives to the ordinance presented are as follows:

- The tax exemption could be reduced from 100% to 50% or other amounts.
- The tax exemption period could be adjusted to a shorter or longer time frame (one, two or five years for example).
- The exemption window (as written in the ordinance to extend from 2012 from 2015) could also be adjusted for a shorter or longer duration.

Financial Impact

The vast majority of new businesses established in the last few years in the City do not generate a substantial amount of B&O tax revenue. It is estimated that the businesses that have been established in the last three years (since 2009) are generating less than \$5,000 annually in total.

It is estimated that a large new hotel project would generate approximately \$23,000 in B&O tax annually. (Assumptions: 228 rooms at \$200 per night x 365 days, at 70% occupancy = \$11.6 million revenues at .2% = \$23,000 B&O tax annually).

A box retailer that generates \$50 million in annual sales would create \$100,000 in B&O tax for the City.

Recommendation or Conclusion

Offering incentives for newly established businesses communicates that the City welcomes new ventures that produce jobs and improve the developed environment and property values for Des Moines residents. Simply stating that the City is business friendly does not have as much impact and substance as a gesture that offers financial support to prospective businesses.

Economic development staff recommends adopting the ordinance as written.

Councilmember Musser moved to approve Draft Resolution No. 12-130 directing the City Manager to sign the First Addendum to the Sea-Mar Development Agreement substantially in the form as submitted; Councilmember Caldwell, second. The motion passed 5-1. Councilmember Scott voted no.

Mayor Kaplan read the Resolution as approved into the record.

OLD BUSINESS

1. SECOND READING BUDGET AMENDMENT DRAFT ORDINANCE NO. 12-105

Finance Director Paula Henderson highlighted revenue changes since Council last discussed the budget amendment ordinance on July 26, 2012.

ACTION/DIRECTION

Councilmember Musser moved to enact Draft Ordinance No. 12-105, relating to municipal finance, amending the 2012 budget adopted in Ordinance No. 1529; Councilmember Caldwell second. The motion passed 6-0.

Mayor Kaplan read the ordinance title into the record.

2. BUDGET PROCESS

City Manager Tony Piasecki presented the City Council's goals and the supporting activities which each department/division performs to promote those goals. Councilmembers rated each item, 1-10, using half numbers, e.g., 6.5, if they wished. Once each activity linked to a goal is ranked, averages are calculated, and the priorities sorted prior to costs for those activities being assigned. Findings will be used to determine how to budget for 2013.

ACTION/DIRECTION

A complete prioritized list will be ready for discussion at the September 13 City Council meeting. No other action was taken; this presentation was for information only.

NEW BUSINESS

1. FINANCIAL UPDATE – YEAR END 2011/EARLY 2012

Finance Director Paula Henderson updated the Council on year end revenues and expenditures 2011 showing a series of charts and graphs depicting revenues with a similar presentation on expenditures dating back to 2007.

Following was a 2012 year-to-date financial report. Revenues shown were 4.25% below last year at the same time at 48% of the budget year being completed. Expenditures shown were 2.1% above projections. All 3 funds are below revenue stabilization levels, but a positive cash balance is shown.

ACTION/DIRECTION

This presentation was for information and discussion only. No action was required.

2. DRAFT ORDINANCE B&O TAX ECONOMIC DEVELOPMENT INCENTIVE

B & O tax provides over \$600,000 in revenues to the City of Des Moines. Other cities have a higher threshold at which businesses are exempt from paying B & O tax. Economic Development Manager Marion Yoshino presented to the City Council a proposal to relax B&O tax requirements for new businesses in Des Moines. With some south sound cities not charging a B & O tax, the tax may factor in when a new business is making a choice of a prospective location in which to conduct its business.

The proposed exemption must be for physical businesses located in Des Moines beginning in 2012 through the end of 2015.

ACTION/DIRECTION

Councilmember Musser moved to waive Rule 26(a) to pass Draft Ordinance No. 12-063 on first reading; Councilmember Caldwell, second. The motion passed/failed 6-0 .

Mayor Kaplan read the ordinance title as enacted.

APPROVED BY CITY MANAGER
FOR SUBMITTAL: MM

Purpose and Recommendation

The purpose of this agenda item is to present for Council approval an ordinance that changes the gambling tax for public cardrooms to allow a three-year phase in period as an economic development incentive.

Currently the City of Des Moines taxes cardrooms at 10% of gross receipts. This ordinance changes the tax to just 1% for the first year the business license is issued, then 4% for the second year, 7% for the third year, and 10% thereafter. The proposed ordinance also makes this tax incentive available only to businesses which receive business licenses between the effective date of the ordinance and December 31, 2015.

Suggested Motion

First Motion: I move to suspend Rule 26(a) to enact Draft Ordinance No. 12-060 on the first reading.

Second Motion: I move to enact Draft Ordinance No. 12-060 amending DMMC 5.40.010 to provide a graduated tax structure for newly established cardrooms.

Background

Public cardrooms are allowed in Washington State with a maximum of 15 tables. The City of Des Moines categorizes them as 'a commercial stimulant' ("an activity operated in connection with an established business, with the purpose of increasing the volume of sales of food or drink for consumption on that business premises"). Popular games are poker, black jack and baccarat.

Cardrooms accounted for \$225 million in gross gambling receipts in 2011, roughly 10% of total gambling receipts for the state and about equal to the gross sale of lottery tickets.

Local municipalities in Washington were able to collect a corresponding \$22.9 million in gambling taxes in 2011 from cardrooms.

The Washington State Gambling Commission provides the following data on receipts for nearby municipalities:

<u>Name</u>	<u>Location</u>	<u>2011 Receipts</u>	<u>Reported Local Tax</u>
Roman Casino*	Skyway	\$10.281 million	\$1.114 million
Riverside	Tukwila	\$10.430 million	\$.829 million
Great American	Tukwila	\$6.672 million	\$.667 million
Silver Dollar	SeaTac	\$5.459 million	\$.411 million
Wizards	Burien	\$4.433 million	\$.564 million

*Roman Casino is the largest grossing cardroom in the State.

Discussion

'Gross receipts' taxes (for example B&O taxes and gambling taxes) can make survival difficult in the first few years of a new business' operation when revenues are generated but there are little to no profits or even a loss. A tax reduction for new businesses enables them to survive the fragile first few years when statistically most businesses fail, and provides the City with another economic development incentive to encourage new businesses to locate in Des Moines.

At the August 31, 2012 meeting, the City Council adopted an ordinance that waives the B&O tax for new businesses in their first three years of operation. The attached ordinance changes the gambling tax on cardrooms from 10% on day one of operation to a graduated tax structure that allows new card rooms the opportunity to use revenues to build and promote a new location. As an addition to the City of Des Moines, an upscale card room is an attractive entertainment venue that can draw guests from nearby SeaTac Airport and create a significant source of revenue for the City

Alternatives

Alternatives to the ordinance presented are as follows:

- No gambling tax reduction may be offered.
- The tax reduction could be graduated by other amounts.
- The tax reduction period could be revised to a shorter or longer time frame (one, two or five years for example).
- The sunset date of 2015 could be adjusted.

Financial Impact

Encouraging a card room to establish in Des Moines, where none currently exist, could be expected to result in over half a million dollars in gambling tax revenues per year to the City once the business is established.

However, reducing the tax from 10% in the initial years could be estimated to cost the City a half million dollars in tax revenue over a three-year period, calculated as follows:

	<u>Gross Receipts</u>	<u>Tax Revenue</u>	<u>Uncollected Revenue</u>
Year One:	\$2 million	\$20,000 (1%)	\$180,000 (9%)
Year Two:	\$3 million	\$120,000 (4%)	\$180,000 (6%)
Year Three	\$4 million	\$280,000 (7%)	\$120,000 (3%)
Year Four	\$5 million	\$500,000 (10%)	\$0

Estimated Uncollected Revenue Total: \$480,000

Recommendation/Conclusion

Offering incentives for newly established businesses communicates that the City welcomes new ventures that produce jobs and improve the developed environment and property values for Des Moines residents. Simply stating that the City is business friendly does not have as much impact and substance as a gesture that offers financial support to prospective businesses.

Economic Development staff recommends adopting the ordinance as written.

are legal to work in the US.

ACTION/DIRECTION

The topic died for lack of a motion.

4. DRAFT ORDINANCE CARD ROOM TAX MODIFICATION

Economic Development Manager Marion Yoshino explained temporary reduction in the card room tax. The average tax rate is 10%. This proposal would reduce the tax rate to 1% the first year, 4% the second year, 7% the third year, and 10% taxes in the fourth year and thereafter for businesses which get a business license by December 31, 2015.

Councilmember Musser moved to suspend Rule 26a to enact Draft Ordinance No. 12-060 on the first reading; Councilmember Caldwell, second. The motion passed 7-0.

Councilmember Musser moved to enact Draft Ordinance No. 12-060 amending DMMC 5.40.010 to provide a graduated tax structure for newly established card rooms; Mayor Dave Kaplan, second.

Councilmember Burrage offered a friendly amendment to change the tax reduction to 1%/6%/10% for a three year period; accepted by both maker and seconder of the original motion.

Councilmember Burrage moved to amend the motion to extend the sunset date to December 31, 2016; Councilmember Sheckler second. The motion passed, 6-1. Mayor Kaplan voted *no*.

The original motion as previously amended passed. The vote was 7-0.

Mayor Kaplan read the title of the resolution into the record.

Purpose and Recommendation

The purpose of this agenda item is to revise Title 18 DMMC to bring uniformity to the Title, to organize the Title in a manner that is easier to search, and to ensure compliance with current state law and case law. We ask that the Council consider all of the amendments to Title 18, along with the included use charts for residential and commercial zones.

Suggested Motions

FIRST MOTION: "To suspend Rule 26(a) in order to enact Draft Ordinance No. 13-170 on first reading."

SECOND MOTION: "To enact Draft Ordinance No. 13-170, repealing and replacing Title 18 DMMC, the Zoning Code."

Background

The City Attorney seeks to make certain amendments to the City Code, specifically Title 18 DMMC, to bring uniformity to the DMMC, to organize chapter 18 DMMC in a manner that is easier to search and to ensure compliance with current state law and case law. The purpose of these amendments is to provide uniformity and consistency within our DMMC and not to make substantive or policy changes.

The DMMC will also include any textual code amendments the Council has passed up to this point. We ask that these amendments to Title 18 be considered this evening for final passage.

The required public hearing for enacting an ordinance which amends Title 18 DMMC was held on November 14, December 5, 2013, January 9 and January 30, 2014. Portions of Title 18 have been discussed at these meetings, but tonight we ask the Council to consider Draft Ordinance No. 13-170 for final reading and passage.

Because this Draft Ordinance is 414 pages, we have placed the Draft in legislative format on the City's website, www.desmoineswa.gov, as part of the on-line packet. If any Councilmember wants a printed version, we would be happy to provide a printed copy.

Discussion

Over the last nine months the staff of the Legal Department, the Planning, Building and Public Works Department, and Mike Connelly of Koegen Edwards, LLP, have met to discuss how to better organize the DMMC so that it is user friendly and consistent with current statutes and case law. This effort has required input from the Departments that read and enforce the DMMC routinely.

Title 18 DMMC is the largest Title in the DMMC and has required considerably more work to update. Given the complexity and length of Title 18, staff has divided the Title into five separate sections. Staff brought Sections I and III to the Council on November 14, 2013, Sections IV and V on December 5, 2013, and Section II on January 9, 2014. At tonight's meeting we ask that the Council move to waive the second reading of Draft Ordinance No. 13-170 and consider final passage. At that time, the reorganization of Title 18 will be complete. All five sections will make up the entirety of the newly enacted Title 18, chapters 18.01 - .250 DMMC with an effective date of February 4, 2014.

Alternatives

None.

Recommendation or Conclusion

Staff recommends the proposed motions.

R:\1-Legal Files\2013\13-170 - Title 18, Repeal & Replace\Council Agenda_1-9-14_Title 18 (2).docx

- Acknowledged Novella Perry, Rita Lambert and Victor Anderson for serving on the Senior Services Advisory Committee.

Dear Senator Keiser,

I am writing to request your assistance with a support letter for the applicant Yareton Investment Fund LLC, to receive federal EB-5 Regional Center designation for the "Artemis Hotel," a four-star hotel complex to be built here in the City of Des Moines which will be of great economic benefit to our area.

Yareton Investments and Mr. Yang Chun, Principal, became personally known to our former Mayor Sheckler when introductions were made during his visit to China in 2009. Since then the City of Des Moines has developed a close working partnership with Yareton as the plans for the hotel have been processed by the City planning department and other staff.

Yareton would like to move forward with the hotel construction, but their EB-5 application is still waiting for final approval from the USCIS. The project which was slated to commence this spring has been delayed pending the approval from the USCIS. We are hoping that a letter from your office will help expedite the approval. We have also attached select portions of the business plan for this project as background information (please respect that the business plan is CONFIDENTIAL).

This large-scale project will bring multiple economic benefits. The employment opportunities, first in construction and then in hotel services, will help provide wages to support families hard hit by the recession. The new buildings will improve the appearance of the commercial area, replacing deteriorated structures located there previously, and stimulating investment in adjacent properties. And a hotel complex such as this will generate substantial tax revenue for city, county and state services.

We thank you in advance for your assistance in making this project possible, it is much appreciated. Please find attached a sample letter of support for Yareton Associates and the "Artemis Hotel" project. If you have further questions please direct them to Marion Yoshino, Economic Development Manager, (206) 870-6725.

Mayor Dave Kaplan
