On Thu, 14 May at 8:09 PM , COL Ron Averill <[outlook\\_e4d745c9626bf9ee@outlook.com](mailto:outlook_e4d745c9626bf9ee@outlook.com)> wrote:

The emergency rules say campaign contributors “must be clearly established to be exclusively comprised of United States citizens or legal permanent residents, in order to exclude participation or influence by any foreign national.”

So, as I read this all immigrants either legal or illegal, excepting legal immigrants granted permanent residence, cannot make contributions to a campaign. This would apply to all illegal immigrants including the “Dreamers.” Is the PDC going to enforce this provision evenly regardless of the candidate’s partisanship?
