 Other (specify) June 30, 2022 (If less than 31 days after filing, a specific finding under RCW 34.05.380(3) is required and should be stated below)

Any other findings required by other provisions of law as precondition to adoption or effectiveness of rule?

- Yes No If Yes, explain: RCW 42.17A.110(1) requires PDC rules to take effect by June 30th to be effective for the election cycle in the same year. The shortened effective date is necessary to meet that statutory deadline in order for the rule to take effect for the 2022 primary and general election cycle.

Purpose: The amendment will adjust the threshold for reporting "last minute" contributions. The adjustment will raise the threshold for which contributions must be reported within the special reporting period under RCW 42.17A.265 (six days before the primary and 21 days before the general election).
