PDC Support,

I have been a candidate and not sure how you would process the Option 2 request due to the fact that once the funds are in the bank to be used on the campaign, it is to be managed as a total. The accountant or finance officer would have a very difficult time determining how a particular donation or series of donations would be spent to cover any number of expenses. I can see a big hassle for the PDC in trying to manage the complaints that may come from trying Option 2.

My choice should I become a candidate again would be Option 1. At least you know who did contribute and what amount. Not sure why you would even consider Option 2. Think that would cause the job of oversight to be impossible to manage.

Respectfully Submitted,
