Dear PDC;

Before it's too late, I'd like to ask to speak tomorrow to the PDC.

Basically, I'd like to make the request for the PDC to move to prosecute Tsimerman as soon as possible. I just finally was able to advise the Bellevue PD of developments here.

We also have an ongoing problem of an unclear standard of what is and is not campaigning from the public comment dais.

I think I need to stress very, very clearly the time to act is now. If you don't prosecute Tsimerman this time or get him to start paying up, the message is going to be incredibly clear going in 2024 that PDC compliance is voluntary. Obviously I don't endorse this message.

I have a few others but time is running short.

Thanks;

Joe Kunzler
