Dear PDC;

Thank you for that enforcement hearing on Sept 28 re: Avrum (Alex) Tsimerman, [case 146406](#).

As you may be aware, Tsimerman has NOT paid his fines and is still refusing to file his paperwork.

You need to please invoke RCW [42.17A.765](#) by *Christmas* please. Otherwise, I'd just tell everybody before you this Thursday, the 16th to wait and see if the PDC is *relevant and diligent first*. Why should we even have the PDC around if a majority of Commissioners can't find the *diligence* to invoke RCW [42.17A.765](#) and make an example of this Mercedes-driving Nazi clown going around and terrorizing Bellevue, Seattle, King County Council, and worse yet, federated boards?

More complaints about Tsimerman are inbound to you. Sorry, I won't be testifying orally - schedule conflicts.

Yours for a more awesome Washington State;

JOE KUNZLER
