RE: JAK public comment for 27 Feb

Hi there PDC;

Joe Kunzler here. I'll be acute: How am I supposed to comment on the PDC's operations when the "Staff report on C-4 report notification project and discussion of possible next steps" is [not online?](#)

I've been patient waiting for that document to come online. It's baffling. It's part of the reason why I think we need a lot more oversight of the PDC.

We should also see the enforcement report placed online each month. Ditto any other written material given the PDC.

The public - and especially the three PDC Watchdogs - should be giving thoughtful, informed public comment. Period. The work of the PDC is supposed to be vital to defending our democracy from dark money.

Thoughtfully;

Joe A. Kunzler
